Purdah and the Status of Woman in Islam Syed Abul 'Ala Maudoodi, 1972

The Status of Women in the Muslim World Shamim Aleem, 2021-02-11 Gender Equality is at the heart of human rights and United Nations values The U N Charter 1945 adopted the principle of equal rights for men and women But in spite of this universal declaration women's secondary status and oppression persist There is no country in the world where women enjoy equal status of men There are 54 countries with Muslim majority in the world many of them are in the race for gender equality but many are lagging behind in spite of the fact that the Quran has given equal rights to women The Author has tried to peep into the system to see the status of women and to identify the hurdles in the way of progress This is just a modest attempt the subject is very comprehensive She looks forward to the governments and scholars to work out a feasible model of the family and the role of women in the light of the Quran and Sunnah The prosperity and the happiness of the Family depends on the fair relationship between husband and wife which in turn contributes to the peace and prosperity of the world at large

The Status of Women in Islam , In the West Islam is believed to be the symbol of the subordination of women par excellence In order to understand how firm this belief is it is enough to mention that the Minister of Education in France the land of Voltaire has recently ordered the expulsion of all young Muslim women wearing the veil from French schools A young Muslim student wearing a headscarf is denied her right of education in France while a Catholic student wearing a cross or a Jewish student wearing a skullcap is not The scene of French policemen preventing young Muslim women wearing headscarves from entering their high school is unforgettable It inspires the memories of another equally disgraceful scene of Governor George Wallace of Alabama in 1962 standing in front of a school gate trying to block the entrance of black students in order to prevent the desegregation of Alabama s schools

Woman's Status & Islam Sabir Ali Khan Tahirkheli,2016-09 Some critics are regularly propagating the impression that Islam usurped the rights of women and imposed restrictions on their freedom This propaganda appears to be serving its purpose and some Muslim women are easily influenced by this misconception They feel that their rights are less than western women This is definitely incorrect Due to above reasons some Muslim women who are not yet aware of their real rights in Islamic society stand up and join such negative sponsored movements They either voice their demands for freedom equal to western women or start feeling psychological backwardness This depressive impression has absolutely no basis Muslim women in actual sense have better rights Some of them are of course easily misguided But if this situation is thoroughly studied it would transpire that such misguided women alone are not responsible for this state of affairs

Status and Rights of Women in Islam Syed Hussaini,2018-12-08 Islam elevated the status of women to great heights so high that she stood shoulder to shoulder with man In the Islamic family the role of men and women is complementary rather than competitive Their duties are described as equal in importance but not identical in substance Now the issue of feminism in Islam is meaningless The coming of Islam has brightened the life and future of women in which Islam has lifted up their level Islam upholds women to the highest and most respected position

The Modest Status of Women in Islam Muḥammad Saeed Ṣiddiqi,1991 *Status of Women in Islam* Yusuf Al-Qaradawi,2016-02-11 Originally written as an article this covers the view of women in Islam The author Yusuf al Qaradawi certainly has some controversial views and has been refused entry to the UK and France We realise the importance of this book in dispelling some of the misconceptions of Islam and in spreading a religion on Earth which can solve or allay the adversities which abound With books such as The Status of Women in Islam it is hoped the recognition of
