Pray And Stay Connected To God Patience E. Iwoh, 2019-06-13 This book is an inspirational devotional and prayer guide it is written based on fresh inspiration that I have received from God in the cause of my daily walk with Him I have discovered that the more I pray the more I connect to God and hear from God And when I pray less I get disconnected from God I have also observed that Many Christians today also experience an unstable connection with God They are in and out of fellowship with God They can be on fire for God today and become lukewarm the next day This book is meant to help Christians pray and to maintain a stable connection with God The more you pray the more you connect to God There is so much evil happening in the world today that can make a Christian to easily disconnect from God Prayer is the key to maintaining a stable connection with God Pray and Stay connected to God Always May God bless you real good
