Staying Faithful:

Death of the Cheating Man Maxwell Billieon,Ray J,2012-02-14 A revealing look at why men cheat through the lives of two men one a faithful business mogul and the other a celebrity addicted to infidelity Jacket **Waiting on a Quiet Heaven** Tanki E. Nthontho,2026-01-27 What do you do when you ve prayed waited and nothing has changed There are seasons when heaven feels closed when prayers echo back answers delay and silence stretches longer than faith feels comfortable carrying In those moments waiting becomes heavier than suffering and hope feels fragile Waiting on a Quiet Heaven speaks to the believer standing in that stillness This book is not about shortcuts formulas or forcing God s hand It is about learning how to trust when there is no timeline how to remain faithful when reassurance never comes and how to guard the heart against bitterness during long delays Through Scripture rich reflection and honest spiritual insight this book reveals that God is still working even when He is quiet Within these pages readers will discover that waiting is not wasted time silence is not rejection and unanswered prayer does not cancel God s goodness Instead waiting becomes the place where faith matures character is formed and trust is refined beyond outcomes This book is for those who continue to pray without response obey without clarity and believe without evidence If heaven has been quiet for you this book will gently remind you God is near Faith is still forming And waiting is never the end of the story *Problem Free Life* John Mantofa,2022-09-23 Everywhere we look in this life we will see problems whether they are inward or outward In PROBLEM FREE LIFE John Mantofa addresses some of the common areas that many people struggle with in life from how to overcome fear anxiety to how to stay faithful in a relationship He speaks about having the right perspective on money and how to manage anger This book communicates on how to become a better parent and how to completely forgive find peace within Reading PROBLEM FREE LIFE will encourage readers to take a step in the right direction to journey into a life free from problems someday With over 50 questions on the 7 topics in this book John Mantofa shares his insights perspectives in answering each question in accordance to Biblical truths With so much pain and suffering in this world many have questioned if there is hope for their situations Can we as humans find solutions to our problems Can we cope well while we maintain hope How should we view life s difficulties so that we can find lasting peace Does a problem free life really exist If so how can we achieve it These are important questions and I invite you to join me in discovering the answers God has given us JOHN MANTOFA *How to Win Your Man Back* Tatiana Busan,2024-10-31 Despite your past together and the beautiful moments you shared he no longer loves you and is drifting further and further away Now everything has changed he has chosen to end the relationship claiming that he no longer has feelings for you You wonder how to react to this situation because you still have feelings for him and you are stuck unable to understand what to do to win him back If you feel that a man no longer wants you that he wants to forget you you end up focusing only on the negative aspects and this causes you to suffer even more Because negative thoughts lead you to believe that there is no longer any chance of winning him back and that you have lost this man

forever It really hurts when a man tells you he no longer has feelings for you The end of a relationship can leave a huge void but that doesn't necessarily mean all is lost The good news is that there are concrete strategies to rekindle interest trust and attraction even if he now seems distant angry or cold If you really want to change things you need a powerful method that can rekindle the feelings and desire he once had for you Discover the method to win back the man you love even if he is now avoiding you ignoring you or has told you that it's over for good In this book I will guide you step by step through a practical and psychologically effective method to understand what really caused the breakup correct the mistakes women make after a breakup rebuild your image in his eyes and rekindle his attraction communicate in the right way to make him want you back regain his trust and restart a relationship with your ex It will guide you to become the woman he regrets losing making him want to come back to you because he has realized that you are the one In this book you will discover how to win back a man who has lost interest in you Be aware that there are no miracles that will bring your ex boyfriend back to you without you doing anything However there are effective techniques and actions you can take to show him that you deserve another chance If you wait for him to come looking for you or smother him with too much attention it is clear that winning him back will take much longer That's why I created this book which teaches you the right methods to win back a man who has drifted away When you find yourself in such a painful situation it's difficult to see clearly and know what actions to take That's why I recommend you read this book right away through which you will learn the right strategies to bring back the man you love In this book you will discover What to Do When a Man Leaves You Suddenly Why Does a Man Disappear Without Explanation What to Do When Your Ex Tells You He Has No Feelings Discover the Actions to Take Immediately After a Breakup What to Do When a Man Leaves You Without Explanation What to Do When Your Ex Doesn't Want to Talk to You and Ignores You What to Do if Your Ex Doesn't Respond What to Do When Your Ex Only Sees You as a Friend Ignoring Your Ex to Get Him Back The Technique That Works How to Make Your Ex Miss You How to Contact Your Ex After No Contact How Long Should You Wait Before Contacting Your Ex How to Stop Thinking Obsessively About Your Ex What to Do When Your Ex Doesn't Want to Get Back Together How to Create Attraction Again with Your Ex How to Overcome Doubts When You Want to Win Back an Ex How to Increase Your Chances of Getting Your Ex Back How Long Does It Take to Win Back Your Ex What to Do When Your Ex Needs Space How to Know When Your Ex Will Come Back How to Tell if Your Ex Has Feelings for You How to Get Your Ex's Attention How to Stop Suffering Because of Your Ex

Walking With God Devotional for Teens William Hartley, 2026-01-31 *Walking with God Devotional for Teens* is an invitation to slow down lean in and discover what it truly means to live a life close to God not just on Sundays but in everyday moments Being a teenager comes with big questions Who am I really Where do I belong How do I trust God when life feels confusing stressful or uncertain This devotional was written with those questions in mind It does not talk down to teens or offer shallow answers Instead it gently guides readers into a real honest and growing relationship with God Designed as a 5 week devotional journey this book walks teens through

foundational aspects of faith such as identity in Christ prayer Scripture obedience friendship purpose joy and hope Each chapter is written in a warm conversational tone that feels relatable and encouraging while remaining deeply rooted in biblical truth The focus is not on being perfect but on learning how to walk with God through both the highs and the struggles of everyday life Inside teens will find thoughtful reflections that help them understand who God is and who they are in Him They will be encouraged to build spiritual habits that last learn how to trust God when faith feels hard and discover how God s presence brings strength peace and direction This devotional emphasizes that faith is not about having everything figured out but about taking the next step with God one day at a time Whether a teen is new to faith growing in their walk with God or quietly searching for meaning Walking with God Devotional for Teens offers a safe honest space to grow It reassures readers that doubts are not failures struggles are not disqualifiers and God s love remains constant through every season This book is perfect for personal devotion youth groups small groups or mentoring relationships It is a meaningful gift for teens who want more than surface level faith and are ready to experience a life shaped by trust hope and a daily walk with God Walking with God is not a finish line It is a journey And this devotional is here to walk alongside teens every step of the way
