Step By Step Guide To Jewelry Making

KELLY. DEMETRI

Step By Step Guide To Jewelry Making:

Jewelry Making For Beginners: A Complete & Easy Step by Step Guide Janet Evans, 2013-08-27 Jewelry Making For Beginners is a text that not only highlights the basics of making various types of jewelry it also goes just a bit further into the process without making it overwhelming for the beginner The aim that the author has with this text is to inform and educate and make the overall process as easy as possible to execute The individual that has no concept at all of what jewelry making entails can read the text and not only get an overview of the jewelry making process but also get a bit of insight on the various processes that one can focus on be it using metal or beads or gems and stones This book is a great source of reference for any hobbyist with an interest in making jewelry in their spare time or someone who has a creative side and has an interest in earning an income from making jewelry The book is a great place to start to achieve that goal of creating great piece of wearable art Of course this text will not appeal to everyone as not all are interested in using their hands or creativity to make something but for those who are it works

How To Make Handmade Jewelry HowExpert, Genny Wilson, 2011-10-27 If you want to learn how to make handmade jewelry get How To Make Handmade Jewelry written by a person who has real life experience creating many different types of handmade jewelries Ever wanted to make your own jewelry Well now you can with this detailed and instructive guide You ll amaze your friends and family when you tell them that amazing jewelry piece was made by you Complete with full color photos the author guides you through step by step Even if you ve done some jewelry making before this guide is chock full of great information In this guide you will Learn the tools of the trade and the correct and incorrect way to use them As well as safety precautions you should take when dealing with certain materials or tools Learn how to incorporate different materials into your jewelry such as clay buttons sequins and chains Learn how to make and use your own beading loom Learn to bead off the loom using both large and teeny tiny beads Make earrings necklaces bracelets anklets rings pins and pendants The guide is specifically designed so you can jump right in to a specific project or start from the beginning The author even gives you a list of places to find specific tools and supplies that you may need as well as tips to help you save money in your jewelry making endeavors About the Expert Genny Wilson has been making jewelry for about six years and has no plans to stop anytime soon Originally starting to make a little extra cash at a local festival she found it so enjoyable she decided to give her creations away as door prizes I was immediately hooked She says From the moment that I finished my first piece there was no going back When asked why she loved it so much the hobbyist replied I ve always loved making things I love the idea of taking a bunch of things and making something new out of it It s much more enjoyable than buying something at the store because you took the time to make it with your own two hands So what made her decide to share her jewelry making knowledge I ve seen a lot of newcomers on the scene people that for whatever reason have decided to try their hand at making jewelry A lot of these people are just like I was when I started and have no idea how to tell the difference between a jump ring and a headpin I wish there had been a

detailed guide I could have used as reference back then HowExpert publishes quick how to guides on all topics from A to Z by everyday experts

Jewelry Making for Beginners Janet Evans,2013-03-16 Jewelry Making For Beginners is a text that not only highlights the basics of making various types of jewelry it also goes just a bit further into the process without making it overwhelming for the beginner The aim that the author has with this text is to inform and educate and make the overall process as easy as possible to execute The individual that has no concept at all of what jewelry making entails can read the text and not only get an overview of the jewelry making process but also get a bit of insight on the various processes that one can focus on be it using metal or beads or gems and stones This book is a great source of reference for any hobbyist with an interest in making jewelry in their spare time or someone who has a creative side and has an interest in earning an income from making jewelry The book is a great place to start to achieve that goal of creating great piece of wearable art Of course this text will not appeal to everyone as not all are interested in using their hands or creativity to make something but for those who are it works
