Stewardship Preaching:

Preaching and Stewardship Craig A. Satterlee, 2011-06-29 Both new and veteran preachers alike find the annual stewardship sermon a challenge and are eager for encouraging practical advice In *Preaching and Stewardship* Craig Satterlee offers a nuts and bolts handbook on preaching stewardship raising issues preachers need to consider when preparing stewardship sermons and offering advice on how to address them Satterlee argues that stewardship preaching must include a bold and concrete proclamation of God's love will and justice as well as an invitation to grow as stewards in response to this proclamation He focuses each chapter on a question preachers ought to ask themselves as they prepare the stewardship sermon beginning with What do you mean by stewardship and Why should we give to the church In chapters 3 through 6 he explores what the Bible says about stewardship In chapter 7 he names some of the assumptions both preachers and worshipers bring to the stewardship sermon The final chapter a variety of ways congregations can support the stewardship sermon Satterlee illustrates the premise of each chapter with anecdotes from congregational life Preachers who desire examples of stewardship sermons will especially appreciate stewardship sermons he shares from various preachers to illustrate points in the main text
