

Stone City

Anna Lowenstein

Stone City:

Stone City Lisa M. Jefferys, 2009-11 The rock her rock the city s landmark stood alone at attention beyond the gate comforting Miranda as she reminisced that time of change she had come to hate Miranda s youthful optimism shines amid the gray hopeless city she calls home The city of laughter and beauty her parents once lived in no longer exists In its place stands a stone city devoid of quality and life brought to ruin years earlier by a charming yet deceitful stranger whose promises of utopia turned when he became a dictator of the people Although he was now gone Stone City remained just that a stony shell of a town Guarding the city is Miranda s only source of comfort a landmark symbolic of the splendor her city once held A new arrival in town stirs curiosity and suspicion especially when he begins work in the center of the city using Miranda s beloved stone as the building block of his construction Who is Santara What plans does he have for the once great Stone City

The Stone City. A Captive's Life in Rome Anna Lowenstein, 2016-03-09 Snatched from her peaceful homestead in Celtic Britain Bivana is transported to the legendary city of Rome Struggling to come to terms with the loss of everyone and everything she has ever known but determined to survive she slowly adapts to a life of slavery and to the alien culture which surrounds her Her relationship with the slave Philon seems to promise a fresh start but it also brings her into contact with the Nazarenes activists in a fanatical new religious movement When her own family is drawn into a clash with the authorities she is forced to draw on all her resources to save them Since its first publication in 1999 *The Stone City* has become well known and loved in its Esperanto translation and has been translated by fans into French and Hungarian This revised edition of the original English version includes several additional scenes

Understanding Annie Proulx Karen Lane Rood, 2001 In this study independent scholar Rood introduces students and the interested reader to the writings of contemporary American writer Annie Proulx Coverage includes a discussion of the major themes in Proulx s well known novels such as *Postcards* *Accordion Crimes* and *The Shipping News* as well as three others Rood also provides background information on Proulx s life and her development as a writer c Book News Inc
