STONEHENGE

A silhouette of the Stonehenge monument complex is centered in the upper half of the cover. The stones are dark against a bright orange and red sky, suggesting a sunset or sunrise. The overall background of the cover is a photograph of the actual Stonehenge site, showing the green grass and the stone structures in a natural setting.

Stonehenge Complete Everything Important:

Upon a White Horse Peter Ross, 2025-09-11 I'm a card carrying admirer of Peter Ross Robert Macfarlane The prehistoric sites of Britain and Ireland are places of wonder and wondering Who made these structures What did they mean to them And what do they mean to us now Bestselling author Peter Ross journeys from midwinter at Stonehenge to midsummer at Sycamore Gap Along the way he encounters bog bodies in Dublin a wooden goddess in Edinburgh and a chalk giant in Dorset He asks what it is like to live within the great stone circle at Avebury what rituals occurred in an Anglesey tomb and what draws volunteers to care for the Uffington White Horse These objects and structures speak of the long human story They offer the comfort of recognition and the pleasure of mystery There is something about ancient places that fills a hollow in our souls Upon A White Horse is a celebration of landscape and people and all that is beautiful strange and old PRAISE FOR STEEPLE CHASING A delicious treat Financial Times A charming odyssey The Times Lovely lyrical whimsical elegiac TLS Engaging New Statesman A wonderful book Daily Telegraph [The Aesthetics of Ruins](#) Robert Ginsberg, 2021-08-04 This book constructs a theory of ruins that celebrates their vitality and unity in aesthetic experience Its argument draws upon over 100 illustrations prepared in 40 countries Ruins flourish as matter form function incongruity site and symbol Ruin underlies cultural values in cinema literature and philosophy Finally ruin guides meditations upon our mortality and endangered world *Mysteries in History* Paul D. Aron, 2005-11-07 This work is an engaging exploration of the process of historical research following historians as they search for solutions to the greatest mysteries of all time Award winning author Paul Aron takes readers on a journey through great historical mysteries through the ages Entertaining in themselves the stories also show that history is not merely living but lively The reader who comes to the book thinking history is boring will leave with a changed outlook with regard to both the subject matter and the process of writing history Each chapter is a carefully and thoroughly researched presentation not of popularized accounts but of valid historical scholarship Chronologically arranged the essays show the historical process in action For each disputed historical point theories arise become standard wisdom and then are revised as additional information becomes available This book reveals the mechanics of that process including spirited debate swashbuckling archaeology and the application of modern science to ancient questions **Archaeoastronomy**, 1985 [Parabola](#), 1983 [Seahenge](#) Francis Pryor, 2002 A lively and authoritative investigation into the lives of our ancestors based on the revolution in the field of Bronze Age archaeology which has been taking place in Norfolk and the Fenlands over the last twenty years and in which the author has played a central role One of the most haunting and enigmatic archaeological discoveries of recent times was the uncovering in 1998 at low tide of the so called Seahenge off the north coast of Norfolk This circle of wooden planks set vertically in the sand with a large inverted tree trunk in the middle likened to a ghostly hand reaching up from the underworld has now been dated back to around 2020 BC The timbers are currently and controversially in the author's safekeeping at Flag Fen Francis Pryor and

his wife an expert in ancient wood working and analysis have been at the centre of Bronze Age fieldwork for nearly 30 years piecing together the way of life of Bronze Age people their settlement of the landscape their religion and rituals The famous wetland sites of the East Anglian Fens have preserved ten times the information of their dryland counterparts like Stonehenge and Avebury in the form of pollen leaves wood hair skin and fibre found pickled in mud and peat Seahenge demonstrates how much Western civilisation owes to the prehistoric societies that existed in Europe in the last four millennia BC

Great Events in Religion Florin Curta, Andrew Holt, 2016-11-28 This three volume set presents fundamental information about the most important events in world religious history as well as substantive discussions of their significance and impact This work offers readers a broad and thorough look at the greatest events in world religious history covering a wide range of religions time periods and areas around the globe The entries present authoritative information and informed viewpoints written by expert contributors that enable readers to easily learn about the chief events in religious history help them to better understand the course of world history and promote a greater respect for culturally diverse religious traditions The first of the three volumes covers religion from the preliterate world through around AD 600 the second the post classical era from 600 to 1450 and the third the modern era from 1450 to the present Each volume begins with a substantive introduction that discusses the history of world religions during the period covered by the volume The chronologically ordered entries overview each event place it in historical context and identify the reasons for its enduring significance
