

A cable-stayed bridge is shown against a sunset sky. The bridge's dark silhouette is on the left, with its cables fanning out. The sun is a bright, glowing orb on the right, casting a shimmering reflection on the water below. The sky transitions from a soft purple and pink at the top to a warm orange and yellow near the horizon. A dark, semi-transparent rectangular box is centered over the middle of the image, containing white text.

Thoughts are not facts. They are a mix of opinions, judgements, stories, memories, theories, interpretations, and predictions about the future.
