Line is a compelling narrative of that moment the completion of the official border between the United States and Canada in 1874 In late July of 1874 the Sweetgrass Hills sheltered the greatest accumulation of scientists teamsters scouts cooks and soldiers to be seen in this part of the world before the coming of the railways The men of the boundary commissions American British and Canadian established an astronomical station and the last of their supply depots as they prepared to draw the Medicine Line across the final hundred of the nearly nine hundred miles between Manitoba s Lake of the Woods and the Continental Divide In the brief weeks the surveyors and soldiers spent in Milk River country they witnessed and played a singular part in the beginning of the end for the open West That hot dry summer of 1874 marked the outside world s final assault on this last frontier
