

# Story Starters for Kids

Print these out and cut along the dotted lines to make your own story starter cards.

Optional: laminate to increase longevity.

I aimed carefully at the target, letting my bow take control of me. I released the arrow and it flew swiftly towards the centre of the target. A slow, steady clap startled me. "Well, well, well..."

I've always been afraid of heights, so I don't know why I let Griffen talk me into this. As I stand on the ledge looking down, I wonder if I've just made the biggest mistake of my life.

Lady Elli Bernard rolled over in bed and saw her maid opening the drapes to let in the bright morning sunlight. Was that a dragon-scale apron she was wearing? Where had that come from? Was Helen secretly working with the enemy?

I climbed the polka-dotted mountain, exhausted. Hadn't the cowboy said I'd find the next clue by now? Was it all just a trick to throw me off the trail to the treasure?

"I will not rest," said the queen, "until you find the secret to eternal beauty. And neither will you." Oh boy. This was going to be a long day.

I was scuba diving with my family on the first day of our Hawaiian vacation. All around me, brilliantly colored sea creatures were swimming past, minding their own business. Except that one. It was heading straight toward me, and it was coming fast.

Bernadette waved at grandfather. "Well, slip off my shoes and plop me in the ocean!" he said. "If it isn't my little Berry!" Wait! That wasn't the secret greeting they'd agreed to. Who was this man?

The giraffe stretched its long neck up to the top of the acacia tree, pulling down another mouthful of leaves with its enormous tongue. "Tell me again why I should help you," he says, chewing thoughtfully.

It wasn't like I knew that the cheese was going to attract the attention of the largest rat convention in town. I had no idea! But now they're here and they're demanding I help them. What to do?

I approached the massive building carefully. How was I ever going to get in? The gatekeeper popped his head out of his little booth. He was wearing a crown and holding a sword. What on earth was going on?

I was about to open my front door when I saw a little dog running down the street toward the busy intersection. There was nobody with him. Without thinking, I took off after him and...

Peck. Peck. Peck. The little woodpecker jabbed at the tree with its beak as hard as it could, but it was hopeless. She'd never make a hole in it at this rate. She'd need to find another way to warn the kids that the path they were taking was extremely dangerous.
