Stranger City Caper:

Comic Crime Earl F. Bargainnier, 1987 The actual world of crime is not a subject for laughter but rather for anger or tears The world of fiction however is a different matter Most crime fiction is much nearer the comic than the tragic In the oldest sense of the term comedy that no matter the difficulties misunderstandings or even deaths the evil are thwarted and the good rewarded crime fiction is essentially comic The following eleven original essays cover a wide range in time authors forms of fiction and types of comedy I hope readers will be both informed and entertained by this excursion into British and American humor and homicide comedy and crime The Stranger City Caper Ross H. Spencer, 1980-01-01 The Chicago of Fiction James A. Kaser, 2011 The importance of Chicago in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on Chicago centered fiction are available they are of little use to scholars researching works written before the 1980s In The Chicago of Fiction A Resource Guide James A Kaser provides detailed synopses for more than 1 200 works of fiction significantly set in Chicago and published between 1852 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included The Fifth Script Ross H. Spencer, 2015-04-12 In this pugnacious feisty mystery series debut from the author of *Death Wore Gloves* a devious killer has it in for a poison panned beauty Kirkus Reviews Chicago Detective Lacey Lockington has never been squeamish about taking out a few low lives in the pursuit of justice But when tabloid columnist Stella Starbright calls him a kill crazy cop he suddenly needs to find a new line of work Taking a job as a private investigator is a step down for sure but his first few cases certainly pique his interest former Stella Starbrights are turning up dead on the streets of Chicago and the current one the very same Stella who ruined his reputation is coming to him for protection Going against his gut Lacey agrees to keep Stella from sharing the grisly fate of her former namesakes In the midst of all the madness Lacey hunts the real killer someone looking to silence gossip columnists for good But can Lacey crack the case before another victim gets a headline in the obituaries Ross Spencer is wild shrewd mad and unexpectedly funny *The New York Times* The Fedorovich File Ross H. Spencer, 2015-03-15 The Chicago PI is out to find a Russian defector with dangerous Soviet secrets in this hardboiled mystery from the author of *Death Wore Gloves* When business gets too hot in the Windy City private detective Lacey Lockington hangs out his shingle in refreshingly boring Youngstown Ohio Of course it s

not all boring thanks to Natasha the former KGB agent who saved his life stole his heart and currently shares his bed But their brief idyll ends when Lacey is offered big bucks to find a man who may well be hiding out in Youngstown Alexi Fedorovich was one of Russia's greatest military minds before he defected to the States and then disappeared entirely Before going underground he published a book exposing the end of the Cold War as a Russian hoax Now Lacey's out to find a man who doesn't want to be found up against Russian spies federal agents and leads that keep dying on him With a little help from Natasha he might just get to the bottom of it all before Fedorovich finds himself on the wrong end of a firing squad Ross is wild shrewd mad and unexpectedly funny *The New York Times* *Kirby's Last Circus* Ross H. Spencer, 2015-03-17 The author of the Chance Purdue series introduces a Chicago detective who goes under the big top to take down the ringmaster of a Russian conspiracy When the CIA chooses Birch Kirby a mediocre detective with a personal life even less thrilling than his professional one no one is more surprised by the selection than Birch himself But the agency needs someone for a secret mission and Birch may be just the clown for the job Going undercover as a circus performer he travels to Grizzly Gulch to investigate the source of daily undecodable secret messages that are being transmitted to the KGB Birch interacts with wildly colorful characters while stumbling through performances as well as his assignment With the clock ticking Birch must hurry to take a right step toward bringing the curtain down on this very important case Praise for Ross H. Spencer's *The Dada Capers* Parodies of the private eye novel come and go Here is *The Dada Capers* by Ross H.
