Strangers Always:

Strangers Always Rena Krasno,1992 This is a story of coming of age in chaotic times during the war in the Pacific from the unique perspective of a young woman in the Jewish community of Shanghai We learn how events were perceived by people entrapped by war who endeavored to seek the truth through smuggled info jammed radio broadcasts and reading between the lines of Japanese censorship The heroic efforts of people in the Jewish community in Shanghai to help refugees from the Holocaust are perhaps the most inspiring part of the narrative Many details of the history of that community are brought to light for the first time Black and white photos
