

The Plains

Andrew Langley

The Plains:

The Plains of the Great West and Their Inhabitants Richard Irving Dodge,1876 **The Plains of the Great West and Their Inhabitants** Richard Irving Dodge,1876 The Plains Cree John S. Milloy,1990-05-01 The first economic military and diplomatic history of the Plains Cree from contact with the Europeans in the 1670s to the disappearance of the buffalo from Cree lands by the 1870s focussing on military and trade relations between 1790 and 1870 Milloy describes three distinct eras each characterized by a paramount motive for war the wars of migration and territory the horse wars during the golden years of Plains Indian life and buffalo wars which mark the trail to the reserves Intimately linked to each era was a particular trade pattern and a military system that linked the Cree with other Plains tribes and non Natives By tracing these themes Milloy charts the ability of the Cree to serve their economic interests by forging alliances or undertaking military or diplomatic offensives **Images of the Plains** Brian W. Blouet,Merlin P. Lawson,1975-01-01 Sixteen papers by foremost American Canadian and English historical geographers examine the sources of Imagery of the American and Canadian Great Plains the processes of image formation and the behavioral implications of various kinds of images The papers deal with exploratory images of the Plains resource evaluation in the prefrontier West governmental appraisal of the western frontier real and imagined climatic hazards the desert and garden myths and adaptations to reality **The Plains of the Great West and Their Inhabitants. Being a Description of the Plains, Game, Indians Etc. of the Great North American Desert** Richard Irving Dodge,2011-03 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork Indians of the Plains Robert Harry Lowie,1982-01-01 First published in 1954 Robert H Lowie s Indians of the Plains surveys in a lucid and concise fashion the history and culture of the Indian tribes between the Mississippi and the Rocky Mountains The author visited various tribes from 1906 to 1931 observing them carefully participating in their lifeways studying their languages and listening to their legends and tales After a half century of study Lowie wrote this book praised by anthropologists as the synthesis of a lifetime s work A preface by Raymond J DeMallie situates the book in the history of American anthropology and describes information and changes in interpretation that have emerged since Indians of the Plains first appeared **Love Song to the Plains** Mari Sandoz,1966-01-01 Vivid picture of the great expanse of earth and sky that was the Great Plains with a history of the pioneers and Indians who lived there The Plains Wars 1757-1900 Charles M. Robinson III,2014-06-06 This masterly exposition explains the background causes and long term effects of these bitter wars whose legacy can still be felt today **A Catalogue of the Everett D. Graff Collection of Western Americana** Newberry Library,1968-11 The Everett D Graff Collection of Western Americana consists of some 10 000 books manuscripts maps pamphlets broadsides broadsheets and photographs of which about half are described in the present catalogue The Graff Collection displays the remarkable breadth of interest knowledge and taste of a

great bibliophile and student of Western American history From this rich collection now in The Newberry Library Chicago its former Curator Colton Storm has compiled a discriminating and representative Catalogue of the rarer and more unusual materials Collectors bibliographers librarians historians and book dealers specializing in Americana will find the Graff Catalogue an interesting and essential tool Detailed collations and binding descriptions are cited and many of the more important works have been annotated by Mr Graff and Mr Storm An extensive index of persons and subjects makes the book useful to the scholar as well as to the collector and dealer The book is not a bibliography but rather a guide to rare or unique source materials now enriching The Newberry Library s outstanding holdings in American history

A Travel Guide to the Plains Indian Wars Stan Hoig,2006 This history and guidebook is composed of two parts first narratives of the Plains Indian conflicts and second directions to battle sites in Colorado Kansas Montana Nebraska North Dakota Oklahoma South Dakota Texas and Wyoming

The Utah Genealogical and Historical Magazine ,1916

The United States Josiah Dwight Whitney,1894

The Plains Indians Paul Howard Carlson,1998 For the Plains Indians the period from 1750 to 1890 often referred to as the traditional period was an evolutionary time Horses and firearms trade goods shifting migration patterns disease pandemics and other events associated with extensive European contact led to a peak of Plains Indian influence and success in the early nineteenth century Ironically that same European contact ultimately led to the devolution of traditional Plains Indian society and by 1870 most Plains Indian peoples were living on reservations In *The Plains Indians* Paul H Carlson charts the evolution and growth of the Plains Indians through this period of constant change Carlson examines among other aspects of these tribal groups the horse and bison culture the economy and material culture trade and diplomacy and reservation life In its examination of cultural change *The Plains Indians* relies heavily on Indian voices and stresses an Indian viewpoint Carlson argues that the Plains Indians were neither passive recipients of these cultural changes nor helpless victims They took what was new and adapted it to and integrated it into their own culture Even when faced with a significantly altered life on the reservations the Plains Indians without abandoning their cultural base adopted sedentary lifeways and shifted toward new life patterns new sodalities and different characteristics of community Carlson also investigates the role of the environment in the lives of the plains tribal groups The ecological exploitation of bison was an integral part of their society both their material and spiritual worlds depended on bison The Plains Indians while not living in perfect harmony with the environment to some extent adjusted their hunting practices religious ceremonies and social organization to the seasons the bison and other environmental factors such as the herding requirements of their horses *The Plains Indians* is a clear well written narrative history of the Plains Indians during a vital and well known era in Indian and American history Those interested in Indian anthropology and history will value this cohesive overview of Plains Indian society and culture

The Plains Indian Wars 1864-1890 Andrew Langley,2012 Looks at the Plains Indian Wars focusing on the path to war what it was like to live through these conflicts and how it affected people on both sides

The Top Books of the Year The Plains The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. The Plains : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. The Plains : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
