The Mafia An Expose Kennedy Connection:

The JFK Assassination Don Becker, 2010-12 Revised February 2011 I called the book a researcher's guide for a reason. This book is a compilation of the material I read about the assassination but in a totally different format. Easy to read, direct, and to the point. I tried to give as much information as possible. Obviously, I could not possibly put all the information in one book, so I was a bit selective in the data I recorded. It contains numerous aspects of the case and nearly every line will lead the researcher to the source of the information so they can continue to look into that particular topic. When I started my research, my goal was to prove Lee Harvey Oswald did not murder John Kennedy. By the time I proved Oswald did not shoot Kennedy, I noticed Oswald did not shoot Tippett either. Noting where he was seen before the shooting and where he was after the shooting will prove he was not at the window at 12:30pm. I will prove my point. I determined Oswald did not have time to get into position to do the shooting. The motorcade was scheduled to pass the Book Depository at 12:25pm. Oswald was in the lunch room at 12:15 and Bonnie Ray Williams was on the 6th floor alone until 12:20. A good sniper would have been in position well in advance of his prey's expected arrival, which Oswald was not. But wait, there's more. Looking at some of the evidence from a totally different perspective, I was able to prove a conspiracy. I compared the wounds with the bullet count and the time statistics of the rifle. I assure you no one has looked at it from this viewpoint. The closest any author came to mentioning this concept was Harrison Livingstone's book *High Treason*. **L.A. Exposed** Paul Young, 2002-05-03 An entertaining look at the myths and urban legends surrounding Los Angeles encompasses Hollywood tall tales, rock music rumors, the lore of L.A.'s landmarks, crime tales, and more. **Betrayal in Dallas** Mark North, 2011-07 North demystifies the most infamous crime of the twentieth century, arguing that President John F. Kennedy was assassinated in Dallas by Mafia contract killers hired by Louisiana mob boss Carlos Marcello. Critical characters emerge in the plot to murder JFK: Henry Wade, the long-time district attorney turned corrupt; Lyndon B. Johnson himself, who while a senator in the 1950s accepted bribes from the mob; corrupt FBI director J. Edgar Hoover; and more. In late 1961, U.S. Attorney General Robert Kennedy and his brother John initiated a covert Organized Crime Task Force investigation of the Civello mob in Dallas. With the understanding that destroying the Dallas Mafia would also destroy LBJ, Johnson through Wade and other local federal officials he had placed in power, learned of the plan and cooperated with the Civello mob to have JFK killed. North's conclusions are based on classified federal documents. **Ultimate Sacrifice** Lamar Waldron, Thom Hartmann, 2013-08-22 Drawing on seventeen years of research, thousands of recently declassified files, and dozens of interviews, *Ultimate Sacrifice* re-creates and in many ways rewrites the crucial period of our history leading up to November 22, 1963. In the process, this groundbreaking account provides the missing pieces to the greatest tragic puzzle of post-war America: the true circumstances behind the assassination of President John F. Kennedy. *Ultimate Sacrifice* details a previously unknown Plan for a Coup in Cuba, authorized by President John Kennedy, run by Attorney General Robert Kennedy, and set for December 1, 1963. The

Kennedy plan unique and different from any previously disclosed operation was as detailed in a Joint Chiefs of Staff memo to have included a palace coup a provisional Cuban government and if necessary a full scale invasion by invited US military forces The CIA's code name for their part of the operation AMWORLD has never previously surfaced in any government investigation nor in any book or article making it one of the most covert operations in United States history Ultimate Sacrifice will detail how the Kennedy plan was penetrated by three mafia godfathers Carlos Marcello Santo Trafficante and Johnny Roselli being vigorously pursued by Attorney General Robert Kennedy along with a dozen of their associates six of whom were also working on the Coup plan The crime bosses then used parts of the Coup Plan AMWORLD to arrange JFK's assassination in a way that would prevent a truly thorough government investigation in order to protect the Coup Plan its participants and national security By using the secrecy surrounding the Plan the mob bosses would target JFK not only in Dallas but in two earlier attempts one in Chicago on November 1 and then one in Tampa on November 18 which Ultimate Sacrifice reveals for the first time in any book Ultimate Sacrifice has finally pieced together the whole story by building on the work of the seven governmental committees that have investigated aspects of the assassination on the work of former government investigators and on the four million documents that were declassified in the 1990s in addition to exclusive interviews with dozens of witnesses and participants including Secretary of State Dean Rusk Press Secretary Pierre Salinger and the Kennedys' closest Cuban exile aide Harry Ruiz Williams

The Presidency of John F. Kennedy James N. Giglio,2006 The presidency of John F Kennedy continues to fascinate even as it also continues to inspire heated debates between admirers and detractors of Camelot s fallen king Now readers can gain a new appreciation of JFK in this thoroughly revised and updated edition of James Giglio s bestselling study widely acclaimed as the best and most balanced book on JFK s White House years Giglio incorporates the voluminous archival materials made available in the last fifteen years including the declassified documents on crucial foreign policy affairs and White House medical records that contradict the image of Kennedy s youth and vigor He stresses the extent to which domestic and foreign policies were interconnected at a time when the Cold War dominated national life and reveals his new appreciation for JFK s prudence in his handling of such enormous challenges as the Cuban missile crisis and the emerging war in Vietnam Giglio shows Kennedy to be the most medicated one of the most courageous and perhaps the most self absorbed of our presidents He reviews the physical ailments and heavy prescriptions that were kept out of the public eye and catalogs sexual indiscretions ranging from Marilyn Monroe and socialite Florence Pritchett to low level White House employees and even virtual strangers Surveying this field of conquest Giglio suggests that JFK s sexual obsession could easily have affected his presidency even more during a second term His work also amplifies coverage of key issues like civil rights the Cuban missile crisis and Vietnam and reevaluates many of the questions surrounding the assassination maintaining that even with the existence of a conspiracy still doubtful the case is far from closed Like the first edition this new edition provides a sharp and thoughtful analysis of both domestic and foreign affairs and underscores that despite his undeniably brief tenure in office the state of the nation actually did improve on Kennedy s watch Featuring an expanded bibliographical essay and twenty two photos from the JFK library **The Presidency of John F Kennedy** remains the definitive appraisal of Camelot s kingdom **Investigation of the Assassination of President John F.
