*Behind the Mountains* Oliver La Farge, 2008 Pulitzer Prize winner. La Farge died in 1963. Of his many books, this work has earned the affection of Santa Feans and New Mexicans who continue to regard it as a regional classic.

*Beyond the Mountains* Deja Vu Prem, 2025-11-04 The powerful story of how an immigrant from the Philippines overcame childhood trauma and an emotionally abusive marriage to find her voice and thrive. As a child in a small barrio in the Philippines, Deja Vu Prem faced neglect and physical abuse. At age seventeen, desperate to escape her situation and claim a better life for herself, she became a mail order bride and moved to San Francisco. But the challenges of her childhood didn't go away; they merely evolved into the form of her emotionally abusive husband. Cut off from her family and any kind of emotional or financial support, Prem was a prisoner in her own home, unable even to use the phone or check the mail. But she wasn't helpless. Relying on her deep faith and the fire within that had always pushed her to achieve, Prem made the brave decision to escape her situation to provide a better life for herself and her two young children. Recounting Prem's harrowing yet hopeful journey, *Beyond the Mountains* is a stirring and moving portrait of one immigrant's refusal to be defined as a victim and a testament on finding the strength to forgive in order to reclaim the power that lives within us all.

***Grass Beyond the Mountains*** Richmond P. Hobson, 2015-04-14 The first in a trilogy, *Grass Beyond the Mountains* is a story of discovery and endurance on North America's western frontier by three good old-fashioned cowboys. With laconic cowboy humor and the ease of a born writer, Richmond Hobson describes the life and death escapades, the funny and tragic incidents, peopled with extraordinary frontier characters in a true adventure that surpasses the most thrilling Wild West fiction. In the fall of 1934, three cowhands with a dream of owning a cattle ranch made their way from peaceful Wyoming to the harsh, uncharted territory of the British Columbian interior. In conditions as challenging as any encountered by the western frontier pioneers of a hundred years earlier, the three men and their equipment-laden horses conquered the tortuous miles over narrow passes and mountain summits, hewed their first cabin from virgin timber, and attempted to carve out a space for themselves on the unforgiving landscape. Gritty, fun, and endlessly entertaining, Hobson's story is sure to entertain country and city dwellers alike.

*Beyond The Mountain* Bob Stacy, 2024-07-23 The mountains had a dual meaning in my life. First of all, the mountains impacted my life as a young boy growing up. Entertainment for me was running through the hills.

and valleys hunting My friends and I roamed around over the hills looking for whatever walnuts grapes chestnuts acorns Exploring rivers and creeks fishing swimming and playing wherever we could find a pool of water big enough to accommodate us Then there are the mountains from within mountains created by broken homes leaving children with worry anxiety and thoughts of are they to blame Then there are the mountains from within which create storms that affect older ones Is my boss going to fire me because I did not meet his expectations Or is my marriage going to fall apart because I don't or can't spend enough time with my family Or are the debts larger than the income leaving doubt Will the house be repossessed Can there be enough food Will the family car make it another year Mountains come in many different sizes from the Ozark Mountains in Arkansas at 2 561 feet to Mount Everest at 29 032 feet with many in between So also are the mountains in our life But God tells us he is bigger than the mountains that overcome us When I gave my life to him at age fourteen he told me then not audibly but in a small still voice I will never leave you nor forsake you He has kept his word He has lifted me over the mountains He has carried me through the storms and as I look back over my life a friend he has been and a Savior he will always be May God bless you Many of the storms I have experienced are recorded in this book 2
