The Pilgrimage Of Life:

The Pilgrimage of Life. (The Pilgrimage of Human Life in English Literature of the Renaissance: with Analogues from the Arts of Design.) [With Plates.]. Samuel Claggett CHEW (the Younger.),1962 *The Pilgrimage of Life* Albert Muntsch,2016-06-28 Excerpt from The Pilgrimage of Life Helps for the Christian Wayfarer Has not this same Saviour instituted a special sacrament for those who like him have sinned grievously after receiving Baptism Has he not told His apostles and through them told all the priests of His everlasting Church Whose sins you shall forgive they are forgiven them and whose sins you shall retain they are retained The Council of Trent aptly calls this Sacrament a plank for those who have suffered spiritual ship wreck by losing the grace of God received in the Sacrament of Baptism But Confession is at the same time one of the best and most practical means for making the journey of life upwards towards our heavenly homeland a success Next to Confession as a means and help along life s journey must be mentioned the Holying all sweetness You may remember the beautiful story told in the Book of Kings a story fore telling the wonderful power of the Holy Eucharist for Christians as a support through life s devious ways The prophet Elias ed into the desert from the face of the wicked Queen Jezabel who sought to put him to death And as the man of God was Oppressed by the heat and fatigue of his journey he lay down under a juniper tree and fell asleep And lo an angel of the Lord appeared to him and placed a vessel with water and a hearth cake by his head and awoke him and said to him Arise eat for thou hast yet a long way to go And Elias arose and partook of that heaven sent food and in the strength thereof he went forward for forty days until he came to the mountain of God Horeb This beautiful story has been interpreted by the Fathers as a figure and a wonderful fore shadowing of that real Bread from heaven which was to be given to the Christian wayfarer in the New Law votions like those to the Sacred Heart and to the Sacred Passion of our Redeemer We have our sodalities and our confraternities membership in which is frequently enriched with special spiritual privileges and with indulgences Verily the Cath olic cannot complain that his Church which is rightly called a mother fails to provide him with weapons wherewith to fight the spiritual combat Let us examine whether we appreciate this goodness and this foresight of our mother and whether we make good use of these helps wherewith we may be en abled to remain her faithful children even to the end of life s journey and pilgrimage About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
