Lot s Wife The Pillar s Side of the Story Genesis 19 What would the pillar of salt say that once was Lot s wife a woman who looked back when God commanded forward Meet Crystallum the salt pillar that stands as an eternal warning about the cost of loving what God has condemned Through Crystallum s perspective experience the dramatic morning when angels seized Lot his wife and their daughters by the hands and brought them outside Sodom Hear the urgent command Escape for thy life look not behind thee neither stay thou in all the plain escape to the mountain lest thou be consumed The pillar narrates the moment when the sun rose and God rained brimstone and fire from heaven upon Sodom and Gomorrah overthrowing all the plain Then comes the tragic moment But his wife looked back from behind him and she became a pillar of salt Not an innocent glance the Hebrew suggests a lingering longing look back at what was being destroyed Her body transformed instantly into a monument to disobedience She was saved from Sodom but not from herself her rescue proved incomplete because her heart remained in the city This sobering story teaches children about the necessity of complete obedience the danger of loving the world God has judged and that looking back to what God has delivered us from can cost us everything Jesus Himself referenced her Remember Lot s wife Perfect for Children ages 6 10 Sunday School lessons on obedience family devotions and discussions about following God completely Notes on the Scripture Lessons ,1887 *A Handy Book of Curious Information* William S.
