3. For an In-Text Citation

(Last Name Line Number)

The Poem As Process

Richard Jacobs

The Poem As Process:

The Poem as Process David Swanger, 1974 *In the Process of Poetry* William Watkin, 2001 This is the first major theoretical study of the four main figures of the New York School John Ashbery Frank O'Hara Kenneth Koch and James Schuyler Proposing a reinterpretation of the definition of the avant garde William Watkin describes it as a movement typified by its commitment to art in process over the final art product In a series of in depth and wide reaching readings he then goes on to test this assertion in detailed relation to the poetry of the New York School while also examining how the poets own work further develops and analyses the concept of the avant garde in contemporary culture BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Conceptualism in Latin American Art** Luis Camnitzer, 2007-07-01 Conceptualism played a different role in Latin American art during the 1960s and 1970s than in Europe and the United States where conceptualist artists predominantly sought to challenge the primacy of the art object and art institutions as well as the commercialization of art Latin American artists turned to conceptualism as a vehicle for radically questioning the very nature of art itself as well as art's role in responding to societal needs and crises in conjunction with politics poetry and pedagogy Because of this distinctive agenda Latin American conceptualism must be viewed and understood in its own right not as a derivative of Euroamerican models In this book one of Latin America's foremost conceptualist artists Luis Camnitzer offers a firsthand account of conceptualism in Latin American art Placing the evolution of conceptualism within the history Latin America he explores conceptualism as a strategy rather than a style in Latin American culture He shows how the roots of conceptualism reach back to the early nineteenth century in the work of Simon Rodriguez Simon Bolivar's tutor Camnitzer then follows conceptualism to the point where art crossed into politics as with the Argentinian group Tucumán arde in 1968 and where politics crossed into art as with the Tupamaro movement in Uruguay during the 1960s and early 1970s Camnitzer concludes by investigating how after 1970 conceptualist manifestations returned to the fold of more conventional art and describes some of the consequences that followed when art evolved from being a political tool to become what is known as political art Struggling for Wings Robert Kirschten, 1997 *Struggling for Wings* is a diverse collection of reviews interviews and essays on the controversial career of James Dickey a writer whose work has engendered commentary ranging from high praise to scathing personal attack Never before collected the materials in this volume record America's critical response to Dickey beginning in the early 1960s when he first began publishing poetry and continuing through the mid 1990s with comprehensive overviews of Dickey's entire canon **Milton's Rabbinical Readings** Harris Francis Fletcher, 1930 Whitman Possessed Mark Maslan, 2003-04-01 Whitman has long been more than a celebrated American author He has become a kind of hero whose poetry vindicates beliefs not only about poetry but also about sexuality and power In *Whitman Possessed Poetry Sexuality and Popular Authority* Mark Maslan presents a challenging theory of Whitman's poetics of possession and his understandings of individual and national identity

By reading his works in relation to nineteenth century theories of sexual desire poetic inspiration and political representation Maslan argues that the disintegration of individuality in Whitman s texts is not meant to undermine cultural hierarchies but to make poetic and political authority newly viable In particular Maslan explores the social impact of nineteenth century sexual hygiene literature on Whitman s works He argues that Whitman developed his ideas about poetry sexuality and authority by responding to a prominent argument that desire subjected male bodies to a penetrating and feminizing force By identifying poetic inspiration with this erotic dynamic Whitman imbued his poetic voice with a kind of transformative power Whitman aligned his poetry with an impartial authority hard to find elsewhere and inclined his work as a poet to speak for the voiceless for the masses and for an entire nation

The Sewanee Review ,1927 **The Australasian Journal of Psychology and Philosophy** ,1929 **The Craft of Poetry** Clement Wood,1929 **Manual of Mental and Physical Tests: Simpler processes** Guy Montrose Whipple,1914 **Literature in our Lives** Richard Jacobs,2020-02-04 This book recreates in written form seventeen of the most popular frankly personal and engaging lectures on literature given by the award winning teacher Richard Jacobs who has been working with students for over forty years This is a book written for students whether starting their studies or more experienced and also for all lovers of literature At its heart is the conviction that reading thinking about and writing or talking about literature involves us all personally texts talk to us intimately and urgently inviting us to talk back intervening in and changing our lives These lectures discuss in an open but richly informed way a wide range of texts that are regularly studied and enjoyed They model what it means to be excited about reading and studying literature and how the study of literature can be life changing perhaps even with the effect of changing the lives of readers of this eloquent and remarkable book

The American Illustrated Methodist Magazine ,1901 *Jane Cooper* Martha Collins,Celia Bland,2019-03-29 For her five volumes of poetry over the course of her career Jane Cooper 1924 2007 was deeply admired by her contemporaries and teaching at Sarah Lawrence College for nearly forty years she served as a mentor to many aspiring poets Her elegant honest and emotionally and formally precise poems often addressing the challenges of women s lives especially the lives of women in the arts continue to resonate with a new generation of readers Martha Collins and Celia Bland bring together several decades worth of essential writing on Cooper s poetry While some pieces offer close examination of Cooper s process or thoughtful consideration of the craft of a single poem the volume also features reviews of her collections including a previously unpublished piece on her first book *The Weather of Six Mornings* 1969 by James Wright a lifelong champion of her work Marie Howe Jan Heller Levi and Thomas Lux among others share personal remembrances of Cooper as a teacher colleague and inspiration L R Berger s moving tribute to Cooper s final days closes the volume This book has much to offer for both readers who already love Cooper s work and new readers especially among younger poets just discovering her enduring poems

Storied Inquiries in International Landscapes Tonya Huber,2010-04-26 This book showcases research from the *Journal of Critical Inquiry Into Curriculum and Instruction*
