## **The Poetic Jesus:**

The Poems of Jesus Christ ,2012-03-26 The words of Jesus Christ are restored to their original poetic form in this extraordinary volume Jesus Christ whose teachings have been on the lips of millions for two millennia is revealed here as one of the greatest poets of all time What happened to deafen us to the poetic nature of his words In migrating from Aramaic speech into written Greek translation and later into English translation the lyrics got locked up as prose In The Poems of Jesus Christ Willis Barnstone unveils the essential poetry of the Gospels by taking the direct speech of Jesus from Mark Matthew Luke and John and lineating and titling Jesus s words as individual poems Jesus s poems are wisdom lyrics and narrative parables rich with garden animal and nature imagery Austere and poignant they carry the totality of the Gospels message through the intensity of a single voice the Gospel of Jesus The Poetic Jesus Andrew Young,T. R. Williams,1972

**The Poets' Jesus** Peggy Rosenthal,2000 Peggy Rosenthal considers the world s poets as creators who dreamed or destroyed visions of Jesus which shaped the spiritual climate of their times and nations *Jesus Christ* Alexi Wiedemann,2016-01-08 For the past two thousand years Jesus Christ has been one of the greatest gifts and one of the greatest mysteries in the world History is full of books and poems that honor and glorify Jesus and many scholars have studied Jesus teachings In The Invisible Poet for the first time Jesus Christ emerges not only as the Son of God but also as the greatest poet who has ever lived This book studies Jesus words in their original poetic form the same form that the Disciples heard directly from Christ Jesus Christ The Invisible Poet examines Jesus use of Hebrew poetic traditions in his parables and poetry bringing a new understanding to the gospels and message of Christ Now you can experience Jesus teachings in their original ancient tradition Despite this proliferation of poetry throughout the Bible readers rarely equate Scripture with poetry perhaps because we are most accustomed to reading poetry written in the Western tradition To the Western eye Scripture initially appears more like prose than poetry mainly because Scripture typically does not rhyme Therein lies the key to missing Christ s importance as a poet Jesus was a poet of Hebrew tradition Jesus worked in the language of poetics and he used poetry to share his Gospel This book concludes beyond question that Jesus is the greatest poet of all time that he is the invisible poet in his parables and proclamations working all the while within traditional Hebrew poetic structure Jesus is indeed a personality who worked for the betterment of humanity This book traces the Master in his use of every substantial form of Hebrew poetry Having such a demonstration of poetic mastery we may well inquire with the wondering throng at Jerusalem when they heard the gracious words which proceeded out of His mouth How said they does this Man know letters having never learned It is the perennial wonder of mediocrity in the presence of genius Let us then not deny him this praise which even his enemies were forced to concede We may hail Jesus as the Man of Letters In presenting the poems of Jesus we may well begin with Matthew for this Gospel professedly contains his Logia set forth at length and hence we may expect that here if anywhere the form will have been preserved It would be unreasonable to look for the exactness that the original text

might possess However a certain sympathy also exists between the English version and the more primitive language that sympathy has tended to recover the balance of expression In part the sympathy is due to the tremendous influence of the Scriptures in the development of English speech it also arises from the fact that the first crude rendition of the Scriptures into the common speech of the Anglo Saxons was by certain wandering bards who chanted the story of the Christ and thus associated the gospels with a melodic flavor that has characterized all subsequent versions The conclusion on this subject is very simple and practical despite the fact that much of its poetic essence has been lost over time Christ s words can be studied today through the prism of poetry on the level of theory If we look at religious ceremonies and rituals of almost all Christian denominations and religious communities we notice that believers in fact sing the verses of the gospel and Christ s words No matter what the particular language is or the translation the essential nature of Jesus legacy is a lyrical one In any language Jesus emerges as the greatest poet the world has known

**Poems to Jesus Christ** Kassi Ydris,2015-11-03 The poetry collection Poems to Jesus Christ Volume III The Holy Spirit is about the spiritual journey of a mans soul through his discovery of his gift for writing poetry when he experienced a spiritual awakening while he was teaching poor people in Asia The poet went through a three year long depression trying to understand what God wanted him to do with his life after his return to America The following poems were inspired during this rebirth of his talent which brought out the best of his gift for poetry while making his faith in God stronger This book completes the poets spiritual journey and his promise to Jesus Christ to write three books of spiritual poetry as a thank you gift to Jesus Christ God and the Holy Spirit for always being by his side and saving his life so many times and helping him get out of his depression The first book described to God the pain of the world sadness and sorrow The second book included more happier and optimistic prayers written in poetic form The third book completes the circle of happiness and evolution of the poets return to the world and to happiness focusing on the beauty of life

**The Poetry of the Gospel of Jesus** Otto Frommel,1908

**Harmony of the Gospels in Rhyming Verse** Dawn Ellis,Roland S. Taylor,2025-07-22 Let the Gospel of Christ transform your heart and mind through this musical poetry God s plan of redemption is far too wonderful for words to tell but translators musicians preachers teachers and poets continue to strive to share the good enws of the Bible with the word of life in all language Roland Taylor expresses his love for the Lord in the poetic language of rhyming verse He presents the birth life death resurrection and ascension found in the four Gospels in a unified sequential poem

**Jesus of Nazareth** Rosy Bush,2006-08 After receiving its original copyright in 2002 it was suddenly discovered that this was the very first book in English literature that describes the entire life of Jesus of Nazareth in a poetical language of a sonnet Since its inception with Shakespeare and the XVIth century Renaissance era there has been no work of that category in the history English poetry Of course there are many poems dedicated to some events described in the New Testament e g Nativity Resurrection etc but so far there hasn t been a sonnetical poetry collection produced by just one author that cohesively focuses on the entire life of Christ There are thousands of works in the

libraries around the world dedicated to the life of Jesus but they are all written in a language of prose What follows on the pages of this book is not necessarily the product of a one fixed denominational preference but it should be rather viewed as the work of art As we know Jesus from Nazareth regardless of religious or philosophical orientation is the most fascinating figure of all times Especially in the centuries of the past there were many artists that focused their most creative efforts on uncovering the uniqueness of Jesus life The greatest masterpieces of the Western art belong to that category The museums around the world are full of biblical art that has been always timeless and timely no matter the world view That s why next to poems author placed the black and white pictures that are masterpieces of the Western art That enhances better the idea that the language of art is universal and also better illustrates the point of intrinsic art interconnectivity This work has several versions Original and International abridged and unabridged The first one is designed for the poetry enthusiasts and philologists the Original Version It reflects more authentically the author s linguistic and artistic inclinations The second one called the International Version intends the **Poetry from Christ** June Pierce-Hampton,2014-11-06 The poems are from GOD using June Pierce Hampton as the messenger It is so amazing once the title for the poem was established the words flowed from GOD s spirit through her spirit onto paper June was amazed after writing the poetry of the effect it had on her and others she read them to After writing the poems she decided to try and reference the poems with the Kings James Version of the Bible they all were there Every poem could be related to a Book Chapter and Verse In some cases there were more than one or two scriptures that corresponded to some of the poems This is GOD sent GOD given and received for GOD s proposes The poetry in this book is for uplifting and giving one hope security and happiness by believing and trusting in our CREATOR and HIS SON JESUS Thus June decided to name the manuscript POETRY FROM CHRIST **The Poetry of Jesus** Masumi Toyotome,1963 **The Poetry of Our Lord** C. F. Burney,2008-11-24 *Visions of Christ* Rainer Maria Rilke,1967

**Jesus Christ in Love** Antony Theodore,2019-12-01 Antony Theodore has written thousands of wonderful poems on spirituality and love This book contains two hundred of his select poems on the life and teaching of Jesus Christ The poems make several references to the Veda Upanishad Gita and other scriptures also The poems are arranged in seven parts covering Miracle of Birth Word of God Mystery of Love Voyage of Life Temptation of Flesh Final Cross and The After Life Many of the poems dwell on the intimacy of human love as expressed through sexual attraction between man and woman For the poet marriage is the sacred union of two souls on the path of God realisation The covenant of marriage is a promise before God for lifelong devotion and its breach is a terrible sin signalling fall of man Romantic attraction prepares the human heart for ultimate God communion Supreme God has split Himself into Man and Woman for cosmic play of creation By seeing one s mirror image in one another a couple in love can retrace their path back to the divine origin The poems provide a penetrative new interpretation of the universal truths underlying Christ s sermons It shows that the truth contained in the Holy Gospel is essentially the same truth as expounded in the scriptures of all world religions The One Truth has been

expressed differently through Veda Bible Gita and Quran The book has been edited by Dr Tapan Kumar Pradhan who has also written its foreword and introduction The book makes a startling revelation about Antony Theodore s extraordinary relationship with the mystic Kashmir poet scholar Hemangi Sharma Dr Tapan hints at a definite past life relationship with Hemangi Sharma Antony Theodore **Divine Inspiration** Robert Atwan,George Dardess,Peggy Rosenthal,1998 An extraordinary gathering of 280 poems from world literature which focus on the most significant events in the life of Jesus Divine Inspiration offers a rich diversity of works by Thomas Aquinas Dante Alighieri John Donne Maya Angelou Margaret Atwood Jack Kerouac and others **The Poetry Of The Gospel Of Jesus** Otto Frommel,2025-05-22 The Poetry Of The Gospel Of Jesus An Essay by Otto Frommel offers a unique exploration of the Gospels through the lens of poetry This essay delves into the inherent poetic qualities found within the narratives and teachings of Jesus providing fresh insights into familiar passages Frommel s work is ideal for readers interested in the intersection of faith literature and the arts Discover a new appreciation for the Gospel s enduring message and the power of its poetic expression This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Behold the Lamb ... Poetically!** Maude Carolan Pych,2019-12-17 Behold the Lamb Poetically is a book of free verse rhymes and haiku about the birth death and resurrection of Jesus The poems have been inspired by Scripture as well as personal experiences and are perfect for reflection or to share with others especially at Christmas Lent and Easter **Harmony of the Gospels in Rhyming Verse** Roland S. Taylor,2002-08 From February to the middle of July 1942 a remarkable study was carried out in the Warsaw ghetto a study of starvation conducted by the Jewish physicians in the two largest hospitals in the ghetto The results of this study have survived and become a cornerstone of the medical literature on the changes undergone by the human body when not enough food is available What you are about to read is the story of that study why it was done how it was done who carried it out what was found and how it survived Everything about the study itself is true Everything about the background of the physicians who took part in the study is as accurate as I could make it The rest what motivated them to do the study how they got the equipment and how they smuggled the manuscript out is fiction but is consistent with what little information I had

Thus the story you are about to read is a historical novel in the truest sense Together the fact and the fiction will give you the reader an understanding of an extraordinary scientific event that helped a people define itself during one of the saddest chapters of its existence Jesus the Radical H. C. Kim,2001-05-22 What do you think about when someone mentions Easter The Easter Bunny and brightly colored eggs Wonderful sales on clothing Special deals in your favorite restaurant The first Easter two thousand years ago was not celebrated by hordes of people as if it were just another holiday On this day Jesus of Nazareth found his disciples frightened and tearful The followers of Jesus Christ were recovering from the sadness that they had felt at the horrific manner in which Jesus had been beaten humiliated and crucified Jesus disciples were afraid for their own lives having seen their Lord crucified on the cross like a common criminal who deserved the death penalty The enemies of Christ were jubilant because they thought that they had wiped out the Jesus movement the nascent Christianity that had emerged in the land Shouts of Crucify Him Crucify Him still rang in the ears of many Who would have thought that the first Easter would become so central in the history of the world Some Christians have willingly given up their lives to celebrate the first Easter In this collection of poems H C Kim focuses on the immediate events leading up to the first Easter and ponders the resurrection message The Gospel in Poetic Form Edward D. McGinnis,2006-08-01 Edward Deane McGinnis was inspired by God to write poems portraying Jesus Christ s teachings miracles His Suffering Crucifixion Death Burial and Resurrection yet there is something else here to All 56 poem are written to the Glory of God **The Poets' Christ** ,2000-01-01 For poets from Shakespeare to Ted Hughes Chaucer to W H Auden and Peter Porter to Derek Walcott Jesus of Nazareth is an elusive energizing creative suffering icon of humanity who haunts the imagination In this anthology David Winter brings together some seventy poems that span poetry in English
