My Book of Poems for the World Raymond Christian,2011-06-01 I have to attribute the note keeping concerning my poems in my early years of writing to my Uncle James Melvin Jones although he is deceased he taught me how to notate things at a very young age I was taught how to put a date the time the poem was written and put the reason for writing my poetry by him As a young man at the age of thirteen I learned about documenting my work I carried it throughout my years of writing and this is where it has taken me It has brought me to the point where my fifth book My Book of Poems for the World I hope this book will touch your heart concerning the many attributes of life I have shared with you Although I do not have a set style of writing I consider myself as being creative and versatile a God given ability and talent to create words with energy and emotions The variety of poems that are placed in this book are unique in their own way I pray which ever poem or prose enlightens your heart that you embrace the words and share them with someone else that you may be able to enlighten to help change the course of their life Poetry is a spiritual gift of love concerning the many evolutions and cycles that this world we call the planet earth evolves around It is a gift of love shared by the muses of ones connectivity to bring an individual or individuals into a glorifying act of happiness and peace through each word each line each stanza and ending What you choose to grasp and take with you concerning my work I pray it will be with you forever My Book of Poem for the World is a mixture of my work According to how you feel at the time you pick up the book to read it I am certain you will thumb through the pages and say to yourself I like this one or that one just remember that any poem or prose you choose it is definitely up to your liking I captured many emotions and feelings in this book concerning the poetry and prose enclosed You will find poems and prose of love romance humor spiritual enlightenment death and poems and prose of just food for thought On the spiritual side of it all I must say that the prose Just One More Soul is one of my best works It deals with the lost soul and how you must seek God for yourself There is also A Penny for Your Thoughts quite controversial yet it leads you to a higher power as one would say but of course there is only one true God If you would go deeper into the books and study it carefully I am certain that you are going to run across what I consider a little food for thought a prose I have written titled My Shoes My Bed My Table if you really have a heart ticking in your body once you finish this one prose I am certain you will become more involved in what is taking place with those who are in need of assistance Not just the homeless but the widows

orphans and strangers who you turn your backs on daily I Cry from the Womb is based on the awareness all mothers should have due to their ability to bring life into this world a child crying for their mother s protection sensitive and touching Although I do not consider myself to be a controversial writer I understand that some of my work does take some people into deep thought meaning critics and will cause them to think otherwise I must state that because of my love for all mankind I only write what I know to be factual and true what I have experienced and what I have researched myself in order that the truth does not get distorted Prose like *The Whip An Unpaid Debt The Dim Lights of Justice* and a few others may spark a few thoughts concerning your creed color or religious background but I state it is time for a positive change to occur and if my work begins to reopen the doors of concern for everyone to put their cards on the table and show their hands then there is not a need to vote
