**Start Upcycling Now** Rocky Nanfita, 2021-08-14. If you're the kind of person who hates throwing anything away, we are right there with you. 2021 is a year where sustainability should be at the front of mind, which means there's no better time to turn your unwanted items into gorgeous DIY projects. From reusing old wine corks to creating beautiful table settings to transforming mason jars into rustic chandeliers, these ideas ensure that nothing goes to waste. After all, one person's trash is another's treasure, right? Upcycling can be fun, and it is a wonderful way to let your creative side loose. There is a difference between upcycling and hoarding, so it is important to not get them confused. With upcycling, you take an item that is old and worn or not being used.
