**Winter Tales** Nix Eisenhart, 2025-12-07 Winter Tales invites you into a world where snow lit streets warm windows and the quiet glow of Christmas create a sense of wonder that feels both nostalgic and new In this cozy anthology classic holiday stories such as A Christmas Carol The Nutcracker and other beloved winter legends are gently retold with richer emotion softer imagery and a more cinematic warmth all through the storytelling voice of Nix Eisenhart Each tale keeps the heart and meaning of the original but unfolds with deeper atmosphere longer pauses between falling snowflakes brighter fires in colder rooms and characters whose joys and fears feel closer than ever These stories are meant to be read slowly like warm tea on a winter night offering comfort reflection and a quiet reminder of why these timeless narratives have lasted through generations Whether you are revisiting these classics or discovering them for the first time Winter Tales brings them to life in a way that feels intimate magical and endlessly cozy It is a book for quiet evenings shared moments and anyone who finds beauty in the stillness of winter Let the season begin

**Some Birds Sing in Winter** Thomas Harley, 2013-08-26 It seems most peculiar yes rather strange That a bird on a bitter branch might remain And more joyfully in winter months long Sing an elaborate even a beautiful song But such a bird is this one who can write Who can attest that even though dark as night His maker has given him a songbook of praise To endure as a joyful sound all days that remain What you are holding is a songbook It is a different kind of songbook for it was birthed in the darkest of night and the coldest of winter And while it is readily in itself an instrument of praise it also provides a foundation for other song makers or shall we say those who receive songs from God Most High For who can sing unless God himself provides song This is a book for sufferers It is for those who are enduring affliction or those who just have air filling their lungs from time to time recognizing that all will invariably suffer This is a book for those with questions It is for those who wonder what God if there is one is doing as they sit on a branch that scrapes them endlessly with rough and bitter bark The branch is aflame crumbling underneath and ready to give way How can we find song in such a tormenting and uncertain darkness How can we be as the rare bird who actually finds reason for song in winter
