Shaping School Culture Terrence E. Deal, Kent D. Peterson, 2003-02-10 Just as culture is critical to understanding the dynamics behind any thriving community organization or business the daily realities and deep structure of school life hold the key to educational success Reforms that strive for educational excellence are likely to fail unless they are meaningfully linked to the school s unique culture In Shaping School

Culture Terrence E Deal and Kent D Peterson show how leaders can harness the power of school culture to build a lively cooperative spirit and a sense of school identity The authors draw from over twenty years of research on school improvement as well as from their own extensive work with school leaders across the country to identify viable new strategies for effective school leadership They describe the critical elements of culture the purposes traditions norms and values that guide and glue the community together and show how a positive culture can make school reforms work Deal and Peterson also explore the harmful characteristics of toxic cultures and suggest antidotes to negativity on the part of teachers students principals or parents Using real life cases from their own research Deal and Peterson provide concrete detailed illustrations of exemplary practice in different school cultures They reveal the key symbolic roles that leaders play in school change and identify the specific skills needed to change school culture successfully *Shaping School Culture* provides an action blueprint for school leaders committed to transforming their schools for success

From Power Struggles to Conflict Resolution Janice Case, 2016 Positive school culture is at the heart of effective teaching and learning As such improving a school s culture is a critical component to school transformation This resource provides school leaders with a concrete professional development plan for staff and students designed to eliminate power struggles in order to improve school culture The author provides six alternatives to power struggles The six are then applied to a series of vignettes that provide specific examples of how power struggles play out in your school setting and how they can be avoided From power struggles in the classroom to power struggles with parents your school team will be better equipped to handle the nuances of all of the relationships that are at the core of your school culture

Reframing Transformational Leadership Issa M. Saleh, Myint Swe Khine, 2014-05-05 One of the more common causes of school system failure is the absence of effective leadership Ideally school leaders are supposed to be the change agents and facilitators whose primary mission is to improve school culture and bring about the effective transformation that leads to a model Professional Learning Community PLC School leaders must focus on developing human capital by working collaboratively with teachers students and all who are involved within the system Effective school leadership has been examined from a variety of perspectives with the focus ranging from the principles of servant leadership to moral imperatives and distributed perspectives The debate on what constitutes effective school leadership continues to be wide ranging and complex Today s research scholarship will be the groundwork for how tomorrow s schools develop a new breed of leadership Upcoming leaders will face new unforeseen challenges so they must re evaluate strategies and re work standard processes in order to promote sustainable development within their respective school systems Tomorrow s leaders will be expected to lead a diverse collective of students and teachers to foster an enduring and empowering culture among students teachers and other stakeholders committed to build a successful learning community

Transforming School Cultures Martin L Maehr, Carol Midgley, 1996-07-28 Revised from the 1993 *Essentials of Pulp and Papermaking* to account for the fact that it was being used as an industry reference as well as a teaching tool Most of the
