Collected Stories of Willa Cather Willa Cather,2013-01-23 The most complete collection available of Willa Cather s remarkable short fiction *Collected Stories* brings together all the stories published in book form during her lifetime along with two additional volumes compiled after her death These nineteen stories resonate with all the great themes that Cather staked out like tracts of fertile land the plight of people hungry for beauty in a country that has no room for it the mysterious arc of human lives and the ways the American frontier transformed the strangers who came to it turning them imperceptibly into Americans In these fictions Cather displays her vast moral vision her unerring sense of place and her ability to find the one detail or episode that makes a closed life open wide in a single exhilarating moment [A Calendar of the Letters of Willa Cather](#) Willa Cather,2002-01-01 An infamous clause in Willa Cather s will forbidding publication of her letters and other papers has long caused consternation among Cather scholars For Cather a complex and private person who seldom made revelatory public pronouncements personal letters provide or would provide an especially valuable key to understanding But because of the terms of her will that key is not readily available Cather s letters will not come into public domain until the year 2017 Until then even quotation let alone publication in full is prohibited Janis P Stout has gathered over eighteen hundred of Cather s letters all the letters currently known to be available and provides a brief summary of each as well as a biographical directory identifying correspondents and a multisection index of the widely scattered letters organized by location by correspondent and by names and titles mentioned This book will be an essential resource for Cather scholars
