Stephens, 2015-06-27 Excerpt from Memorials of William Mulready R. A. Satisfied that the life and works of Mulready reflected each other with unusual completeness I have in arranging the literary portion of these Memorials endeavoured to show how much the one was the outcome of the other Many readers may agree with this notion and be interested in it as a matter of study If I am right the illustrations of this book and the painter's works at large as well as the text before us imperfect as the last may be present what is really a biography Other readers may welcome the story of a man whose pictures all have admired the most important of which are in the National Galleries About one fifth part of the

text which follows here was shortly after Mulready's death published in The Fine Arts Quarterly Review Additions to and revision of what was then written made this a new work for the historical portion of which I am indebted to many of the oldest most intimate and most eminent of the painter's friends to these the warmest thanks are due About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
