**Interview with William Trevor** William Trevor, Dolores MacKenna, William Trevor Kristin Morrison, 1993 Irish novelist and short story writer William Trevor ranks with the most compelling contemporary authors exploring the workings of evil in human life and the paradoxical nature of redemption From the Old Boys 1964 to The Silence in the Garden 1988 a subtle portrayal of child murder as emblem of colonial exploitation and Two Lives 1991 with its terrorist attack and transformed wilderness Trevor has produced a significant body of work sometimes comic sometimes disturbing and always finely crafted His contribution to literature wins him high praise from critics and a wide readership on both sides of the Atlantic In this comprehensive study Kristin Morrison examines the intellectual framework of all Trevor's fiction showing how his novels and short stories are governed by a system of correspondences wherein political acts historical events and moral states are inextricably linked public and private worlds mirror each other Individual chapters consider Trevor's image of the garden as simultaneously a lost Eden and a potential Paradise his preoccupation with evil and increasing emphasis on the connections between political violence and personal cruelty the importance of Irish history settings and characters throughout his writing career his tragicomic vision and primary rhetorical strategies his predominant character types especially children celibates and holy fools Morrison positions Trevor's fiction by comparing it with the work of authors as diverse as John Banville Brian Moore Toni Morrison and Jonathan Swift Rare interview material contributes importantly to the picture of Trevor as an unequivocally Irish writer An informed and lucid discussion William Trevor will prove highly useful to both scholars and general readers interested in contemporary English and Irish fiction Debrett's illustrated baronetage and knighthood (and companionship) of the United Kingdom of Great Britain and Ireland, 1903 *The Silence in the Garden* William Trevor, 2019-05-21 The Whitbread Award winning author demonstrates a master's touch in this tale of an aristocratic Irish family's ruinous path toward modernity The New York Times An island estate off the coast of county Cork Carriglas has been in the Rolleston family for centuries Sarah Pollexfen a distant relation of little means remembers the magical summer she spent there as a child in 1904 But much has changed in Ireland since then And when Sarah returns nearly thirty years later she finds Carriglas much changed as well World War I and the Irish Troubles have taken their toll on the Rollestons Sarah's cousins who once seemed to sparkle with beauty and wit have grown dour and withdrawn And as Sarah uncovers the tragedies they've endured she'll also discover the terrible truth about that seemingly idyllic summer in 1904 *Fools of Fortune* William Trevor, 2006-04-25 Penguin Classics is proud to welcome William Trevor Ireland's answer to Chekhov The Boston Globe and one of the best writers of our era The Washington Post to our distinguished list of literary masters In this award winning novel an informer's body is found on the estate of a wealthy Irish family shortly after the First World War and an appalling cycle of revenge is set in motion Led by a zealous sergeant the Black and Tans set fire to the family home and only young Willie and his mother escape alive Fatherless Willie grows into manhood while his alcoholic mother's bitter resentment festers And though he finds love Willie is unable to leave the terrible injuries of the past behind First time in
