Yeats 1865-1939 was an Irish poet and one of the foremost figures of 20th century literature. A pillar of both the Irish and British literary establishments, in his later years he served as an Irish Senator for two terms. Yeats was a driving force behind the Irish Literary Revival and along with Lady Gregory, Edward Martyn and others founded the Abbey Theatre where he served as its chief during its early years. In 1923 he was awarded the Nobel Prize in Literature as the first Irishman so honoured for what the Nobel Committee described as inspired poetry which in a highly artistic form gives expression to the spirit of a whole nation. Yeats is generally considered one of the few writers who completed their greatest works after being awarded the Nobel Prize; such works include *The Tower* (1928) and *The Winding Stair and Other Poems* (1929). Yeats was a very good friend of American expatriate poet and Bollingen Prize laureate Ezra Pound. Yeats wrote the introduction for Rabindranath Tagore's *Gitanjali* which was published by the India Society.

**The Poems of William Butler Yeats, 1899-1905** William Butler Yeats, 1906 [William Butler Yeats](#) History Nerds, 2021-08-06 Yeats is widely regarded as one of the most important English language writers of the twentieth century. A hero of the pen rather than the sword, a noble prize winner for Literature and a two-term Senator of the Irish Free State, Yeats lived a full active life that combined poetry and politics. Unlike other modernists who dabbled in free verse, Yeats was a master of standard verse styles as well. The influence of modernism on his work can be seen in the gradual rejection of the more conventionally romantic dialect of his early work in favor of the more austere vocabulary and more straightforward approach to his themes that gradually characterize his middle period poetry and plays which include the volumes *In the Seven Woods*, *Responsibilities* and *The Green Helmet*. Jump into this concise introduction to the life of William Butler Yeats *The Collected Poetry of William Butler Yeats* William Butler Yeats, 2018-04 Born and educated in Dublin, Ireland, William Butler Yeats discovered early in his literary career a fascination with Irish folklore and the occult. Later awarded the Nobel Prize for Literature in 1923, Yeats produced a vast collection of stories, songs and poetry of Ireland's historical and legendary past. This compilation includes a vast number of works/pieces that have earned Yeats the recognition as one of the greatest poets of his time. *The Collected Poetry of William Butler Yeats* includes the following collections: *Crossways*, *The Rose*, *The Wind Among The Reeds*, *In The Seven Woods*, *The Green Helmet* and *Other Poems*, *Responsibilities*, *The Wild Swans at Coole*, *Michael Robartes and the Dancer* and several other narrative and dramatic poems.
