William Morris Designs And Patterns:

William Morris, 1988 *William Morris Designs & Patterns* □□□, 2012-06-08 **William Morris Full-Color Patterns and Designs** William Morris, 1988-06-01 Forty of Victorian master's most famous designs for wallpapers, chintzes, velveteens, tapestries, tiles, carpets, and more. Reproduced from original color plates of *The Art of William Morris* [William Morris - Designs and Patterns](#) Norah C. Gillow, 1989 □□□□□□□□ □□□, 2013-03-21 *William Morris: Father of Modern Design and Pattern* surveys Morris's designs for two-dimensional surfaces, primarily wallpaper and textiles. The introductory text by Hiroshi Unno, printed in both English and Japanese, provides an overview of Morris's career and the sources of his inspiration. What appeals to us even now about Morris's designs, writes Unno, is not the elegance of abstract patterns but the way in which his patterns make natural beauty come alive on the flat surface. Morris was a passionate observer of nature as well as a voracious student of history, especially medieval garments and tapestries. The range and depth of his inspiration must partly explain the longevity of his own patterns, which designers today still consider classic. *Twentieth-Century Pattern Design* Lesley Jackson, 2007-02-08 *Twentieth Century Pattern Design* combines photographs, including many newly published images, with soundly researched text, creating an essential resource for enthusiasts and historians of modern design. The book also serves as a creative sourcebook for students and designers, inspiring new flights of fancy in pattern design. Jacket *William Morris: Patterns and Designs* Phoebe Ann Erb, 2002 A true Renaissance man, William Morris mastered every art and craft to which he set his hand, revelling in designs, patterns, colours, and textures, and placing his stamp on sumptuous books, rugs, embroidery, wallpaper, stained glass, tapestries, curtains, and furniture. The patterns and designs drawn together here show both the nuances and breadth of William Morris's visions, combining intricacy and simplicity, alternatingly dramatic and demure, dark and light, curved and angular, in a virtual dance of superb interwoven shapes. *William Morris by Himself* William Morris, 2004 Through his own work and in his own words, the book traces the fascinating progress of William Morris, pre-Raphaelite poet and architectural student, into designer, writer, and pioneer socialist. His youthful enthusiasm for the Middle Ages and Gothic architecture fired him with the conviction that he must dedicate his life to Art. Later letters written to friends explain how, in the industrialised nineteenth century, Morris became preoccupied with the loss of traditional skills and pride in work, and during the last ten years of his life, he became increasingly involved in political agitation, and his stories, poems, and lectures all reflect his commitment to the socialist cause and his ideals for art and society. Other extracts from his letters and poems reveal more intimate aspects of Morris's life and personality, reflecting the despair and isolation he felt over the breakdown of his marriage and his reliance on the friends who helped him through his personal crisis. **WILLIAM MORRIS BY HIMSELF** is a tribute to an exceptional man whose work and reputation have survived for more than a century. *William Morris: Designs and Motifs* Norah Gillow, 1996 The twenty-six plates in this collection have been chosen to represent a broad cross-section of Morris's patterns for furnishing, textiles, and wallpapers, and the large format makes it

possible to study the designs as they were first created Norah Gillow's Introduction provides an informative background to the artist and the work of his company Morris and Co *William Morris Decor & Design (mini)* Elizabeth Wilhide, 2016-08-11 William Morris one of the most influential designers of the 19th century and an important figure in the Arts and Crafts movement revisited in this inspirational interior design guide Rich natural colours liquid floral patterns light airy rooms and simple wooden furniture are all radical principles of the Arts and Crafts movement and are also the fundamentals of most modern decor There has never been a better time for introducing Morris designs into the home Illustrated with a wide range of historical and contemporary decorative schemes this practical and inspirational guide suggests simple and cost effective ways of creating an interior decor that aspires to purity colour and craftsmanship as defined by William Morris Chapters provide information on pattern matching wall and window treatments floor coverings tiles and furnishings so that a Morris style can be extended to whatever degree of authenticity desired A comprehensive suppliers list details where to buy Morris and Co fabrics and wallpapers and Arts and Crafts furnishings while an illustrated glossary containing sixty of the best known designs allows for easy pattern selection and identification *1000 Patterns* Drusilla Cole, 2003 Arranged by period and style you can see at a glance patterns used from ancient to contemporary times A handy pattern finder up front makes it easy to locate and cross reference any motif or design in the book Whether you have a long standing interest in art and ornamentation or a newfound curiosity you'll find 1000 Patterns an intriguing reference and fascinating history **BOOK JACKET** *William Morris in Appliqué* Michele Hill, 2009-02-01 Capture the glory of the historic textile designer's work in exquisite appliqué quilts cushions and wallhangings featuring an array of motifs No artist ever captured the beauty of nature in such exquisite detail as William Morris Now Michele Hill has transformed his graceful birds flowers vines and woodland creatures into appliqué designs any quilter can master Turn William Morris designs into 6 lovely appliqué projects quilts cushions and wallhangings Mix and match more than 50 appliqué motifs to create your own William Morris inspired designs Make your masterpiece quickly with easy fusible appliqué **Pattern and Design** Victoria and Albert Museum, 1983 **Catalogue** Bernard Quaritch (Firm), 1894 [Old-House Journal](#), 1990-09 Old House Journal is the original magazine devoted to restoring and preserving old houses For more than 35 years our mission has been to help old house owners repair restore update and decorate buildings of every age and architectural style Each issue explores hands on restoration techniques practical architectural guidelines historical overviews and homeowner stories all in a trusted authoritative voice **The William Morris Colouring Book** William Morris, 2017-09 Relax and unwind with these beautiful decorative patterns and marvel at their timeless appeal Taking nature as his inspiration William Morris created over 100 intricate and iconic wallpaper textile and embroidery designs Today he is considered one of the most outstanding and influential designers of the Arts and Crafts movement of the late 19th century This stylish pocket sized coloring book has gold foil on the cover and the designs inside have a truly timeless appeal [William Morris Fabrics Photo Book](#) Jackson
