

William The Silent

Frederic Harrison

William The Silent:

William the Silent Cicely Veronica Wedgwood,1944 **William the Silent** Ruth Putnam,1911 **William the Silent by Frederic Harrison ...** Frederic Harrison,1897 **William the Silent** Ruth Putnam,1898 **William the Silent, Prince of Orange, 1533-1584** Ruth Putnam,2009-05 This collection of poetry is both expensive and hard to find in its first edition It contains the complete poetical works by 19th century American poet Henry Wadsworth Longfellow This is a fascinating work and thoroughly recommended for anyone interested in American Poetry Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce We are republishing these classic works in affordable high quality modern editions using the original text and artwork **William The Silent** Ruth Putnam,2023-12-13

The Drunken Silenus Morgan Meis,2020-04-09 The Drunken Silenus is a book that is as hard to categorize as it is to put down an enlightening and mesmerizing blend of philosophy history and art criticism Morgan Meis begins simply enough with a painting by the Baroque master Peter Paul Rubens of the figure from Greek mythology who is mentor to Dionysus god of wine and excess of every kind We learn who this obscure minor god is why he must attend on the god who dies and must be re born and educated all over again and why Rubens depicted him not as a character out of a farce but as one whose plight evokes pity and compassion The narrative spirals out from there taking in the history of Antwerp bloody seventeenth century religious wars tales of Rubens s father s near execution for sleeping with William of Orange s wife Nietzsche s Birth of Tragedy and the impossibility of there being any meaning to human life and the destruction of all civilization by nefarious forces within ourselves All of this is conveyed in language that crackles with intelligence wit and dark humor a voice that at times sounds a bit tipsy and garrulous but which ultimately asks us to confront the deepest questions of meaning purpose and hope in the face of death and tragedy William the Third H. D. Traill,1888 *William the Silent* Frederic Harrison,1910 *Exploring Argumentative Contexts* Frans H. van Eemeren,Bart Garssen,2012-03-28 In Exploring Argumentative Contexts Frans H van Eemeren and Bart Garssen bring together a broad variety of essays examining argumentation as it occurs in seven communicative domains the political context the historical context the legal context the academic context the medical context the media context and the financial context These essays are written by an international group of argumentation scholars consisting of Corina Andone Sarah Bigi Robert T Craig Justin Eckstein Frans H van Eemeren Norman Fairclough Eveline Feteris Gerd Fritz Bart Garssen Kara Gilbert Thomas Gloning G Thomas Goodnight Dale A Herbeck Darrin Hicks Thomas Hollihan Jos Hornikx Isabela Ie cu Fairclough G bor Kutrov tz Maurizio Manzin Davide Mazzi Dima Mohammed Rudi Palmieri Angela G Ray Patricia Riley Robert C Rowland Peter Schulz Karen Tracy and Gergana Zlatkova **William of Orange and the Revolt of the Netherlands, 1572-84** K.W. Swart,2017-05-15 The figure of Prince William of Orange 1572 84 dominates the political landscape of the sixteenth century Netherlands and in many ways personifies the Dutch revolt against Spanish hegemony Yet despite the European significance of his struggle there has not

been a major English language study of William since C V Wedgwood's biography published in 1944. As such, scholars will welcome this publication of Koen Swart's distinguished and authoritative biography of the first of the hereditary stadholders of the United Provinces. Originally available only in Dutch, this edition provides an English speaking audience for the first time with a detailed account of William's role in the Dutch Revolt that reflects the vast amount of scholarship undertaken in the field of European political and religious history over the last few decades. In the book, Swart explores the means by which William established his rule in Holland and Zeeland in the 1570s and provides an analysis of William's relations with the provincial states, the States General, and the towns, and the creation of a new system of government and finance. Within this framework of national history, he is always careful to locate the subject in its broad international context, thus adding to our wider understanding of this turbulent period. Moreover, Swart avoids the uncritical glorification of William evident in some previous works and asks searching and pertinent questions concerning the wisdom of William's decisions, such as that to break up the pre-1572 unity of the Habsburg Netherlands. In so doing, Swart provides a much more balanced view than has hitherto been available that not only takes Protestant views into account but also contemplates the Revolt from the perspective of the Catholic population and shows sympathy for Charles V's and Philip II's predicament. In so doing, this book provides the most important revision of William for a century and will undoubtedly have repercussions upon many studying the history of Europe in the age of Reformations. Published posthumously, this book also includes introductory material written by leading scholars: H. F. K. van Nierop, M. E. H. N. Mout, J. Israel, and A. C. Duke.

William the Silent C. V. Wedgwood, 2021-05-13

In this book, first published in 1944, the distinguished historian C. V. Wedgwood takes as her subject here the figure of William, Count of Nassau and Prince of Orange, who led the revolt of the Netherlands against the Spain of Philip II. The book is not only a masterpiece of biographical writing but a rich portrait of an age, a period of political, religious, and economic ferment that dramatically shaped the history of early modern Europe. A reliable and well-balanced history of great events, Miss Wedgwood tells simply and accurately a series of moving, romantic, and most important events: the first effective stand made in Europe against Spain and the Inquisition; the foundation of the Dutch Republic on the basis of freedom; and she tells these great historical events in the form of a biography centered round the figure of one man. G. M. Trevelyan, London Sunday Times: A very fine book. There is all the human interest of William's life with all the historic importance for us of his achievement. A. L. Rowse, Observer: Miss Wedgwood, an authority on the period, has told William's life story persuasively with singular economy and charm. Superior scholarship, penetrating insight, lucid prose. Geoffrey Brunn, **Congressional Record**, United States Congress, 1951.
