The Magician's Trunk Dan Andriacco,2024-11-23 A MAGIC TRUNK OF TROUBLE Perhaps by this point you already know that I have willed you all my books on magic and my magician s trunk a kind of relic which once belonged to the Great Blackstone Harry Blackstone Sr You also get the contents of the trunk Some of those contents you can keep some you will know how to redirect appropriately So wrote the late Septimus Pogue to Sebastian McCabe to whom he was a mentor in Mac s youth The only problem is that the Blackstone trunk is missing Thus begins the latest case for the mystery writing professor and his best friend and brother in law Thomas Jefferson Cody Or rather two cases for the magician s trunk which has a strange habit of disappearing and re appearing again winds up being at the center of two murders And the second murder only occurs after the first has been solved To get the bottom of the matter Mac and Jeff have to sort through a collection of suspects that includes an animal channeler an extreme saver a bald and beautiful magician wedding planner a city council candidate who wants to ban electric scooters at night a witch and an 86 year old former funeral home partner And all that is before the TV show Midwest Murders comes to town and with it a woman out of Jeff s past This is a McCabe Cody book unlike any other truly a mystery in two parts

The Negro Leagues Were Major Leagues Todd Peterson,2019-12-11 How good was Negro League Baseball 1920 1948 Some experts maintain that the quality of play was equal to that of the American and National Leagues Some believe the Negro Leagues should be part of Major League Baseball s official record and that more Negro League players should be in the Hall of Fame Skeptics contend that while many players could be rated highly NL organizations were minor league at best Drawing on the most comprehensive data available including stats from more than 2 000 interracial games this study finds that black baseball was very good indeed Negro leaguers beat the big leaguers more than half the time in head to head contests demonstrated stronger metrics within their own leagues and excelled when finally allowed into the majors The authors document the often duplicitous manner in which MLB has dealt with the legacy of the Negro Leagues and an appendix includes the scores and statistics from every known contest between Negro League and Major League teams
