Wimmen's Comix, 1989 Archives and New Modes of Feminist Research Maryanne Dever, 2020-04-28 In an era when the metaphor of the archive is invoked to cover almost any kind of memory collection or accumulation it is important to re-examine what is entailed politically and methodologically in the practice of feminist archival research This question is central not only to the renewed interest many disciplines are showing in empirical research in archives but also given the current explosion of online social and cultural data which has fundamentally transformed what we understand an archive to be Contributors in this collection are keen to mark out what may be novel and what is enduring in the ways in which feminist thought and feminist practice frame archives Importantly they engage with archives in their historical and political complexity rather than treating them as simple repositories of source material In this respect contributors are keenly interested in what it means to archive particular materials and not simply in what those materials may hold for feminist researchers The collection features established and emerging feminist scholars and brings together interventions from across such disciplines as history literature modernist studies cinema studies and law This book was originally published as a special issue of the journal *Australian Feminist Studies* Autobiographical Comics Andrew J. Kunka, 2017-11-02 A complete guide to the history form and contexts of the genre *Autobiographical Comics* helps readers explore the increasingly popular genre of graphic life writing In an accessible and easy to navigate format the book covers such topics as The history and rise of autobiographical comics Cultural contexts Key texts including *Maus* Robert Crumb *Persepolis* *Fun Home* and *American Splendor* Important theoretical and critical approaches to autobiographical comics *Autobiographical Comics* includes a glossary of crucial critical terms annotated guides to further reading and online resources and discussion questions to help students and readers develop their understanding of the genre and pursue independent study Glitz-2-Go Diane Noomin, 2012-03-05 *Glitz 2 Go* finally collects nearly 40 years of comics stories by Diane Noomin best known for her work as cartoonist and editor of the women comics anthology *Twisted Sisters* Noomin's career in underground comix began in 1972 and included appearances in *Wimmen's Comix* *Young Lust* *Short Order* *Arcade* *Real Girl* *Lemme* *Outta Here* *El Perfecto* *True* *Glitz* *Aftershock* *Mind Riot* *Titters* and *Weirdo* *Glitz 2 Go* stars Noomin's signature character DiDi Glitz the frustrated middle aged glamour puss and anxiety ridden suburban Sisyphus All of her stories beginning with her debut *Restless Reverie* in 1974's *Family Fun Comics* are finally back in print for the first time in over 30 years **In Visible Archives** Margaret Galvan, 2023-09-26 Analyzing how 1980s visual culture provided a vital space for women artists to theorize and visualize their own bodies and sexualities In 1982 the protests of anti-porn feminists sparked the censorship of the *Diary of a Conference on Sexuality* a radical and sexually evocative image text volume whose silencing became a symbol for the irresolvable feminist sex wars *In Visible Archives* documents the community networks that produced this resonant artifact and others analyzing how visual culture provided a vital space for women artists to theorize and visualize their own bodies and sexualities

Margaret Galvan explores a number of feminist and cultural touchstones the feminist sex wars the HIV AIDS crisis the women in print movement and countercultural grassroots periodical networks and examines how visual culture interacts with these pivotal moments She goes deep into the records to bring together a decade s worth of research in grassroots and university archives that include comics collages photographs drawings and other image text media produced by women including Hannah Alderfer Beth Jaker Marybeth Nelson Roberta Gregory Lee Marrs Alison Bechdel Gloria Anzald a and Nan Goldin The art highlighted in In Visible Archives demonstrates how women represented their bodies and sexualities on their own terms and created visibility for new diverse identities thus serving as blueprints for future activism and advocacy work that is urgent now more than ever as LGBTQ and women s rights face challenges and restrictions across the nation

Wimmen's Comix , **Dori Stories** Dori Seda,1999 This long awaited volume includes all the published work by the legendary Dori Seda plus Ecstasy a story completed shortly before her tragically early death at the age of 36 and a story originally commissioned for another anthology Includes biographical memoirs photos and tributes as well as a 20 page colour section of Dori s paintings and comics Introduction by Neil Gaiman **Twisted Sisters** Diane Noomin,1991 *The WomanSource Catalog & Review* Ilene Rosoff,1995 [Bibliographic Guide to Art and Architecture](#) New York Public Library.
