Edgar, 2001-07-25 *Miraculous Gifts* is a discussion of spiritual gifts in light of the basic differences between cessationism and Pentecostalism Many studies of this issue are written from a primarily theological perspective and while theological arguments are valid charismatics assert that this controversy concerns biblical gifts and miracles and is therefore a matter of faith to believe their claims with theological arguments proving unsatisfactory The fundamental question is Is this what the Bible discusses is it biblical *Miraculous Gifts* attempts to answer that question by providing a biblically based analysis of spiritual gifts in view of the charismatic controversy      *Satisfied by the Promise of the Spirit* Thomas R. Edgar, This book provides a consistent examination of the primary biblical texts used in the current debate over spiritual gifts and the charismatic experience Dr Edgar affirms that believers can indeed be satisfied and fulfilled by the Spirit apart from miraculous gifts      *The Secret Weapon* Beatrice N.
