State Violence:

Race, Ethnicity and Law Mathieu Deflem, 2017-06-01 This new volume of *Sociology of Crime Deviance and Law* addresses issues of race and ethnicity within the law and law related phenomena [Making Peace in Drug Wars](#) Benjamin Lessing, 2018 State crackdowns on drug cartels often backfire producing entrenched cartel state conflict deterrence approaches have curbed violence but proven fragile This book explains why *The Political Philosophy of Judith Butler* Birgit Schippers, 2014-04-03 Judith Butler can justifiably be described as one of the major critical thinkers of our time While she is best known for her interventions into feminist debates on gender sexuality and feminist politics her focus in recent years has broadened to encompass some of the most pertinent topics of interest to contemporary political philosophy Drawing on Butler s deconstructive reading of the key categories and concepts of political thought Birgit Schippers expounds and advocates her challenge to the conceptual binaries that pervade modern political discourse Using examples and case studies like the West s intervention in Iraq and Afghanistan and in relation to the Israeli Palestinian conflict Schippers demonstrates how Butler s philosophically informed engagement with pressing political issues of our time elucidates our understanding of topics such as immigration and multiculturalism sovereignty or the prospect for new forms of cohabitation and citizenship beyond and across national boundaries A detailed exposition and analysis of Butler s recent ideas championing her efforts at articulating the possibilities for radical politics and ethical life in an era of global interdependence this book makes an important contribution to the emerging field of international political philosophy **The Wiley Blackwell Companion to Cultural and Social Geography** Ishan Ashutosh, Jamie Winders, 2025-07-08 Addresses both social and cultural geography in a single volume authored and edited by leading authorities in the fields The Companion to Social and Cultural Geography provides reliable and up to date coverage of both foundational topics and emerging themes within two vibrant and increasingly interconnected subdisciplines of geography Building upon the Companion to Cultural Geography first published in 2013 editors Ishan Ashutosh and Jamie Winders offer an expertly curated collection of original essays with special emphasis on early career scholars geographers of color and geographers from the Global South Organized thematically the Companion opens with a series of Global Dispatches from cultural and social geographers working in different disciplines and locations followed by explorations of key concepts in social and cultural geography such as identity belonging solidarity inequalities and intersectional geographies Subsequent chapters examine a wide range of cultural and social geographies including creativity technologies science nature memory tourism migration labor and religion Throughout the Companion authors share fresh insights into the racial reckonings of late ongoing issues related to climate change the consequences of COVID 19 and more Across its 46 chapters the Companion to Social and Cultural Geography Examines how approaches to human environment dynamics in social and cultural geography help shed light on current challenges Covers critical topics such as justice protest borders public health urban planning indigeneity genders class race

and sexualities Emphasizes the value of a geographic perspective to understanding social and cultural dynamics Discusses how geography has confronted its deep connections to colonialism imperialism and white supremacy Addresses a range of emerging and established themes including queer and transgender geographies Black geographies animal geographies and cultural geographies of states Incorporates a diversity of writing styles narratives and analyses such as interviews conversations short essays autobiography and autoethnography Accessible authoritative and highly relevant to today's students the Companion to Social and Cultural Geography is an essential textbook for undergraduate or graduate courses on social or cultural geography cultural studies cultural sociology and ethnic studies **A theory of international terrorism**

[electronic resource] L. Ali Khan,2006 Presents a study of Islamic militancy in the geopolitical contexts of Chechnya Kashmir Palestine and the September 11 attacks on the United States This book argues that the policy of no negotiations with Muslim militants is contrary to the UN Charter and that terrorism cannot be eradicated unless the nation state evolves into the Free State **Textbook on Criminology** Katherine S. Williams,2012 This text offers an engaging and wide ranging account of crime and criminology It provides a clear and comprehensive consideration of the theoretical practical and political aspects of the subject including the influence of physical biological psychological and social factors on criminality

When States Kill Cecilia Menjivar,Néstor Rodríguez,2005-07 Since the early twentieth century technological transfers from the United States to Latin American countries have involved technologies of violence for social control As the chapters in this book illustrate these technological transfers have taken various forms including the training of Latin American military personnel in surveillance and torture and the provision of political and logistic support for campaigns of state terror The human cost for Latin America has been enormous thousands of Latin Americans have been murdered disappeared or tortured and whole communities have been terrorized into silence Organized by region the essays in this book address the topic of state sponsored terrorism in a variety of ways Most take the perspective that state directed political violence is a modern development of a regional political structure in which U S political interests weigh heavily Others acknowledge that Latin American states enthusiastically received U S support for their campaigns of terror A few see local culture and history as key factors in the implementation of state campaigns of political violence Together all the essays exemplify how technologies of terror have been transferred among various Latin American countries with particular attention to the role that the United States as a strong state has played in such transfers The American State Reports Abraham Clark Freeman,1907
