Rosalind Malcolm, John Pointing

Statutory Nuisance:

Statutory Nuisance Rosalind Malcolm, John Pointing, 2025-11-27 Now in its third edition *Statutory Nuisance Law and Practice* is the definitive text on the law and practice of statutory nuisance. The law of statutory nuisance has deep historical roots closely connected with local government. This book outlines the structural framework, the history and concept of statutory nuisance, and the organizational structure and powers of local and central government following the impact of devolution and Brexit. It examines the complex case law around public health law and common law nuisance and discusses other areas of law and practice that overlap with statutory nuisance. Each of the statutory nuisances set out in Part III of the Environmental Protection Act 1990 are analysed and practice based chapters examine the regulatory and judicial context of statutory nuisance enforcement. Evidential issues and case preparation for court hearings are covered in detail including prosecutions by victims and non lawyers against alleged perpetrators. The book addresses procedural and evidential matters of relevance to lawyers, environmental health practitioners and enforcement officers, identifying good practice and various potential pitfalls. It includes chapters on human rights, the use and enforcement of abatement notices, appeals, local authority prosecutions and statutory defences. This new edition addresses issues around planning permission, statutory authority and other consents. The agent of change principle and deeds of easement applicable to new housing developments are analysed. This edition also covers extensively housing licensing, anti social behaviour provisions and recent legislation on public nuisance and anti social behaviour. An Appendix clearly sets out the key legislation referred to in this book.

Statutory Nuisance and Residential Property Stephen Battersby, John Pointing, 2019-05-30 *Statutory Nuisance and Residential Property: Environmental Health Problems in Housing* examines the statutory nuisance provisions in the Environmental Protection Act 1990 pertaining to the condition of premises and related problems in housing and compares these with the provisions of the Housing Act 2004. The book discusses the separate development of statutory nuisance and housing legislation in an historic context which provides a useful basis for the understanding and interpretation of legislation and the different remedies available today. The work includes a chapter on actions by persons aggrieved using section 82 of the Environmental Protection Act 1990 and also considers remedies provided in the Anti social Behaviour Crime and Policing Act 2014. This book investigates housing problems in the context of the relevant law and demonstrates how to use the legal framework appropriately and be able to decide on the most appropriate provision for dealing with environmental health problems associated with residential property. This is an essential and practical book for environmental health and housing professionals as well as for advisers and lawyers in the private and public housing sectors.

Statutory Nuisance Roger Butterfield, Jessica Holroyd, 2000 *Statutory Nuisance* helps deal with concerns amongst local authorities as to when they can serve an abatement notice and when they do what must be included. Clear practical advice and guidance on this critical area of law is given through examination of the current regulations and case law concerning nuisance in the forms of breaches of
