**Card Weaving for Beginners** Lisa Morales, 2022-09-19 Card Weaving for Beginners Step by step Guide to The Ancient Craft of Tablet Weaving Card weaving also known as tablet weaving is a method of producing narrow textiles such as straps belts and trim Most card woven bands are very strong and sturdy Card woven bands can range from simple and easy to elaborately patterned and very time consuming Tablet weaving is creating by twisting the threads of the warp together around the weft interlocking the threads of the warp and weft together to create a pattern

Tablet weaving is what is called a warp faced fabric meaning that the designs seen on the weaving are created by the threads of the warp not the weft This means that if you weave a piece with a black warp and a white weft the color of the finished product will be mostly black with white dots where the weft shows through Card weaving is a technique that dates at least as far back to the 6th century BC and is used throughout the SCA period across multiple cultures in Europe Collingwood 13 Wool linen and silk were commonly used fibers for the technique though any fiber with little stretch and solid tensile strength can be used With nothing more than some strands of yarn and a few simple cards with holes in them you can easily weave fabrics of great complexity and beauty No loom is required and no tedious picking out of patterns by hand Handweaving Isabel Buschman,1991 Buschman annotates more than 550 books and periodical titles published on the techniques and history of handweaving from 1928 through October 1989 She includes works on how to weave basic weaving texts books on looms and equipment and patterns both for weaving and for woven articles handweaving history and historic fabrics from around the world works on Native American weaving ranging from the Chilkats of the Northwest coast of North America to the Pueblos and Navajos of our Southwest Mexico and Central America and on through the rich weaving culture of the Andes reference works containing specialized bibliographies and information on fibers dyes education and marketing and periodicals With author title and subject indexes *Catalog of Copyright Entries.
