Boscaglia, 419 MICH 556 (1984), 1984 70529 *Scandal Work* Margot Gayle Backus, 2013-10-21 In *Scandal Work* James Joyce the New Journalism and the Home Rule Newspaper Wars Margot Gayle Backus charts the rise of the newspaper sex scandal across the fin de siècle British archipelago and explores its impact on the work of James Joyce a towering figure of literary modernism Based largely on archival research the first three chapters trace the legal social and economic forces that fueled an upsurge in sex scandal over the course of the Irish Home Rule debates during James Joyce's childhood The remaining chapters examine Joyce's use of scandal in his work throughout his career beginning with his earliest known poem *Et Tu Healy* written when he was nine years old to express outrage over the politically disastrous Parnell scandal Backus's readings of Joyce's essays in a Trieste newspaper the *Dubliners* short stories *Portrait of the Artist* and *Ulysses* show Joyce's increasingly intricate employment of scandal conventions ingeniously twisted so as to disable scandal's reifying effects *Scandal Work* pursues a sequence of politically motivated sex scandals which it derives from Joyce's work It situates Joyce within an alternative history of the New Journalism's emergence in response to the Irish Land Wars and the Home Rule debates from the Phoenix Park murders and the first Dublin Castle scandal to *The Maiden Tribute of Modern Babylon* and the Oscar Wilde scandal Her voluminous scholarship encompasses historical materials on Victorian and early twentieth century sex scandals Irish politics and newspaper evolution as well as providing significant new readings of Joyce's texts **Ghost Ships** Robert McNab, 2004-01-01 A moving and spectacular tale of love jealousy and exotic travel centering on three significant figures in the surrealist movement This book describes the secret journey made by an extraordinary ménage trois the painter Max Ernst Paul Eluard cofounder of surrealism with André Breton and Eluard's wife Gala The author unravels the story of Ernst's love affair with Gala Eluard's disappearance Ernst and Gala's pursuit of him their meeting in Saigon where the love triangle came apart and the resulting departure of the Eluards who left Ernst to explore the jungles of French Indochina alone The impact on the work of both men was profound As for Gala she eventually dropped both her lovers for Salvador Dalí About Fred Elizabeth Rudolph, 2012-06-26 *About Fred* *Ghost Dad* and *the Stalker* captivates the readers through the use of humor and sarcasm to describe what life was like when living with an alcoholic spouse The unique title of this book is based on a true account of the author's life which became a living nightmare after being haunted and stalked every day of the week for a decade Elizabeth dreaded leaving or returning home as she found there was nowhere to run and nowhere to hide The author feels this book will relate to others because at some point in all of our lives trouble seeks us out and knocks on our doors Elizabeth's novel aimed to alert women to be more

aware of the strange and suspicious actions of men who appear everywhere they go and to not dismiss their behaviors as coincidental The author was vulnerable and unsuspecting of stalking behaviors She now knows they should be taken serious and not lightly The author decided to break her silence by writing this novel after telling a friend what she had experienced during this time period which was far from life s normal events
