Stradbroke Dreamtime:

Stradbroke Dreamtime Kath Walker, 1973 *Stradbroke Dreamtime* Kath Walker, 1982 **Stradbroke Dreamtime**
Oodgeroo Nunukul, 1995 A collection of short stories by Oodgeroo Nunukul previously known as Kath Walker reflecting on her childhood growing up on Stradbroke Island on the Queensland coast and old and new stories from the Dreamtime
Oodgeroo wrote these stories in 1972 while staying at Tamborine Mountain with her good friend the well known Australian poet Judith Wright Beautifully illustrated by Aboriginal artist and illustrator Bronwyn Bancroft *Bottersnikes and Other Lost Things* Juliet O'Connor, 2009 Lazy Bottersnikes in outback rubbish tips Sir Pronoun's dilemma about standing in Miss Noun's place and the story of how Jack built a house a hut or a shack are all to be found in this treasury of Australian children's books This book illuminates the icons of Australian children's literature from Gibbs and Outhwaite to Shaun Tan
The Littoral Zone, 2007-01-01 In this the first collection of ecocritical essays devoted to Australian contexts and their writers Australian and US scholars explore the transliteration of land and sea through the works of Australian authors and through their own experiences The littoral zone is the starting point in this fresh approach to reading literature organised around the natural environment rainforest desert mountains coast islands Antarctica There's the beach where sexual and spiritual crises occur the Western Australian wheatbelt deserts camel trekking and the transformation of a salt flat into an inland island New Age literature that appropriates Aboriginal culture as the healing poultice for an ailing West a re-examination of pastoralism an inquiry into whether Judith Wright's work can persuade us to rejoice in the world the Limestone Plains home of the bush capital and the bogong moth tropical North Queensland national parks where the mountains meet the sea temperate islands with their history of sealing Soldier Settlement and sea country pastoral and Antarctica where a utopian vision gives way to an emphasis on its timeless icescape as minimalist backdrop for human dramas The author terrain includes poets playwrights novelists and non-fiction writers across the range of contexts constituting the littoral zone of Australia *The Power of Stars* Bryan E. Penprase, 2010-10-17 What are some of the connections that bind us to the stars How have these connections been established And how have people all around the world and throughout time reacted to the night sky the sun and moon in their poetry mythology rituals and temples This book explores the influence of the sky on both ancient and modern civilization by providing a clear overview of the many ways in which humans have used the stars as an ordering principle in their cultures and which today still inspire us intellectually emotionally and spiritually The book explores constellation lore from around the world celestial alignments of monuments and temples both from ancient and modern civilizations and the role the sky has played in the cultures of the Greek Egyptian Babylonian Native American Chinese Mayan Aztec and Inca Models of the universe from each of these cultures are described clearly and each culture's explanation of the stars planets and other celestial objects are described The roots of astronomy and astrology are presented with original imagery and reproductions of ancient manuscripts that portray the structure of the

physical universe as conceived by a diverse array of human cultures over the centuries Our own scientific Big Bang cosmology and the origin of stars and elements are discussed in a philosophical context to explore how we as modern people learn about the Universe and incorporate the findings of science into our world views A concluding chapter provides a summary of modern science s effort to unlock the celestial secrets from the sky and from past civilizations and what these answers mean for us today

Stradbroke Dreamtime Oodgeroo Noonuccal,1993 The first part of this book comprises stories the author remembers about her childhood on Stradbroke Island the second part is a compilation of stories from the Old and New Dreamtime
