Straight Talk Growing As Multicultural Educators:

Straight Talk Rebecca Powell,2001 Engages readers in reflecting about their own taken for granted assumptions about human differences

Life in Schools and Classrooms Rupert Maclean,2017-05-04 This book discusses key aspects of life in schools and classrooms and surveys the changes that have occurred over the years in educational research policy making and practice in these school and classroom settings It not only examines cutting edge research in these areas but also showcases good practices in the field Among the topics reviewed are recent developments in assessment methods for collecting and analysing data on classroom practice school leadership and the pros and cons of class size and small class teaching topics which are currently hotly debated in education systems around the globe As such the book objectively examines the various debates and surveys the full range of evidence available Education researchers policy makers and practitioners often hold differing views about the reasons for teacher and student behaviour in classrooms and for example its relevance to class size Many of these views are based on gut feelings rather than hard evidence Unfortunately these three groups with differing perspectives often talk past each other rather than engage in a productive mutually beneficial dialogue The book builds an effective bridge between researchers policy makers and practitioners regarding the impact of these various aspects of classroom life so that the viewpoints of each can be carefully considered and evaluated

[Toward a Literacy of Promise](#) Linda A. Spears-Bunton,Rebecca Powell,2012-08-21 This book gives us strategies for bringing life back to school it allows us to think creatively about connecting instruction to the lives of children who have not been well served it helps us learn to value the gifts with words our children of color bring and it gives us hope for educating a generation that can change the status quo that will build the America we have yet to see the one that made that as yet unfulfilled promise of liberty and justice for all Lisa Delpit From the Foreword Toward a Literacy of Promise examines popular assumptions about literacy and challenges readers to question how it has been used historically both to empower and to oppress The authors offer an alternative view of literacy a literacy of promise that charts an emancipatory agenda for literacy instructional practices in schools Weaving together critical perspectives on pedagogy language literature and popular texts each chapter provides an in depth discussion that illuminates how a literacy of promise can be realized in school and classrooms Although the major focus is on African American middle and secondary students as a population that has experienced the consequences of inequality the chapters demonstrate general and specific applications to other populations

Educated in Whiteness Angelina E. Castagno,2014-03-01 Educators across the nation are engaged in well meaning efforts to address diversity in schools given the current context of NCLB Race to the Top and the associated pressures of standardization and accountability Through rich ethnographic accounts of teachers in two demographically different secondary schools in the same urban district Angelina E Castagno investigates how whiteness operates in ways that thwart and sometimes co opt even the best intentions and common sense thus resulting in educational policies and practices that reinforce the status quo and

protect whiteness rather than working toward greater equity Whereas most discussions of the education of diverse students focus on the students and families themselves Educated in Whiteness highlights the structural and ideological mechanisms of whiteness In schools whiteness remains dominant by strengthening and justifying the status quo while simultaneously preserving a veneer of neutrality equality and compassion Framed by critical race theory and whiteness studies this book employs concepts like interest convergence a critique of liberalism and the possessive investment in whiteness to better understand diversity related educational policy and practice Although in theory most diversity related educational policies and practices are intended to bring about greater equity too often in practice they actually maintain legitimate and so perpetuate whiteness Castagno not only sheds light on this disconnect between the promises and practices of diversity related initiatives but also provides insight into why the disconnect persists **A Common Wealth of Learning** John E. C. MacBeath, Mike Younger, 2013 First Published in 2013 Routledge is an imprint of Taylor Francis an informa company

Multicultural Education ,2004 *Anthropology & Education Quarterly* ,2002 **Resources in Education** ,1994-07 *Uncertain But Always Unthreatening* Angelina Elizabeth Castagno,2006 **Critical Pedagogy Primer** Joe L. Kincheloe,2004 The Critical Pedagogy Primer provides a short smart and innovative introduction to this topic Focusing on the traditions that helped create critical pedagogy this primer concentrates on what the author calls an evolving criticality This refers both to the constantly changing and evolving nature of critical pedagogy and to the need to keep the field on the cutting edge of scholarly innovation These concerns are presented in a language that is designed for both uninitiated and sophisticated readers The Critical Pedagogy Primer includes a glossary and a description of leading figures in the field of critical pedagogy Anyone learning about critical pedagogy must read this book it should be an assigned text at every school of education *Boletin Internacional de Bibliografia Sobre Educacion* ,2002 **Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur** ,2004 **Das Schweizer Buch** ,2002 Multicultural Education Fred Schultz,2002 *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004 **Current Index to Journals in Education** ,2000 *The Education Index* ,1983 Recruitment and Retention in Higher Education ,1993 **State Education Journal Index** ,1999 An index of state education journals **Missouri State Teachers Association Bulletin** ,1990
