## Strange Things:

*Authenticity, Death, and the History of Being* Hubert Dreyfus, Mark Wrathall, 2018-10-24 First Published in 2003  
Heidegger and the study of his thought have earned wide acceptance extending beyond philosophy to influence an array of other disciplines Critically selected by leading scholars in the field the articles in this new collection bring together the most essential and representative scholarship on Heidegger Focusing on the major phases of his work which attracted most attention from contemporary thinkers as well as exploring new and important areas of Heidegger scholarship this four volume set is an invaluable resource for any curriculum supporting philosophy as well as political theory literature classics anthropology and cultural studies

**The Link Persona** J. M. Richard, 2010-04 The Link Persona is a provocative chilling and timely book about the world's rapid spiral into a nation controlled by inhabitants from another world Alfajet is an astute man grasping concepts and theories quickly Friends with everyone of different races cultures and creeds his life reflects his beliefs That is until the others came to Earth and Alfajet shifts his persona in order to adapt Mysterious toxins are poisoning human plant and animal life Humans are being abducted by aliens from a different world People not prepared for the Armageddon are caught off guard and suffer from manic behavior The wealthy go mad and the vulnerable and meek become strong Darkness rain and enormous storms rain down everywhere and humans will have to learn to be content and share their planet Will they learn that nature has control Will they lessen their own control and greed before it's too late for mankind and for all life on Earth before it's too late J M Richard has written a riveting thriller that not only delivers top notch action from the first page but reflects a canny and unsettling foreshadowing of what our world could become J M Richard is an American citizen born in Kenya East Africa Mr Richard graduated from the East Africa School of Theology and then attended Cal State for his post graduate work He has spent two decades in the fields of religious ministry and motivational speaking to teens and young adults all over the world He lives in Los Angeles California

**The Palgrave Handbook of Popular Culture as Philosophy** Dean A. Kowalski, Chris Lay, Kimberly S. Engels, 2024-04-30 Much philosophical work on pop culture apologises for its use using popular culture is a necessary evil something merely useful for reaching the masses with important philosophical arguments But works of pop culture are important in their own right they shape worldviews inspire ideas change minds We wouldn't balk at a book dedicated to examining the philosophy of *The Great Gatsby* or 1984 why aren't *Star Trek* and *Superman* fair game as well After all when produced the former were considered pop culture just as much as the latter This will be the first major reference work to right that wrong gathering together entries on film television games graphic novels and comedy and officially recognizing the importance of the field It will be the go to resource for students and researchers in philosophy culture media and

communications English and history and will act as a springboard to introduce the reader to the other key literature in the field
