The Mirror Of Simple Souls:

The Mirror of Simple Souls Marguerite Porete, 1993 We know very little about Marguerite Porete only that she was a beguine from Hainaut who was burned at the stake as a relapsed heretic in 1310 She might have been a solitary itinerant beguine who expounded her teachings to interested listeners

The Mirror of Simple Souls Marguerite Porete, 2022-12-19 Dive into the profound depths of Christian spiritualism with *The Mirror of Simple Souls* an early 14th century work by Marguerite Porete It s exploration of Oneness with God though influential at the time of its writing was denounced by Church authorities as heretical and banned for its supposed connection to Antinomianism Since it s attribution to Porete in the 1940 s *The Mirror of Simple Souls* has come to be regarded as among the most important works of medieval Christian mysticism

The Mirror of Simple Souls Marguerite Porete, 2019-10-25 2019 Reprint of 1927 Edition Full facsimile of the original edition not reproduced with Optical Recognition software *The Mirror of Simple Souls* is an early 14th century work of Christian mysticism by Marguerite Porete dealing with the workings of Divine Love Written originally in Old French at a time when Latin was the prescribed language for religious literature it explores in poetry and prose the seven stages of annihilation the Soul goes through on its path to Oneness with God through Love Porete s vision of the Soul is of ecstatic union with God moving in a state of perpetual joy and peace Porete argues that the Soul in such a sublime state is above the demands of ordinary virtue not because virtue is not needed but because in its state of union with God virtue becomes automatic As God can do no evil and cannot sin the exalted Annihilated soul in perfect union with Him no longer is capable of evil or sin

The Mirror of Simple Souls Marguerite Porete, 2020-04-03 2020 Reprint of the 1927 Edition Full facsimile of the original edition and not reproduced with Optical Recognition Software *The Mirror of Simple Souls* is an early 14th century work of Christian mysticism by Marguerite Porete dealing with the workings of Divine Love Written originally in Old French at a time when Latin was the prescribed language for religious literature it explores in poetry and prose the seven stages of annihilation the Soul goes through on its path to Oneness with God through Love Enormously popular when written it fell afoul of the Church authorities who detecting elements of the antinomian Heresy of the Free Spirit in its vision denounced it as full of errors and heresies burnt existing copies banned its circulation and tried and executed Porete herself In spite of this the work was translated into several different languages around Europe including English albeit not with Porete s name attached In fact it was not identified as being by Porete at all until 1946 Since then it has been seen increasingly as one of the seminal works of Medieval spiritual literature and Porete alongside Mechthild of Magdeburg and Hadewijch can be seen as an exemplar of the love mysticism of the Beguine movement
