the contents and definitely don't bet the Bible where she's concerned Nick caught up in three strides and kept pace with her Then the least you can do is let me sit with you while you drink it The least I can do Really She didn't stop walking until they reached the caf Then she swiped her glasses off and jabbed them at him as her blue eyes flashed You broke into my apartment stole letters that have sentimental value and then lost them to those two idiots last night And you're talking about the least I can do Whoa easy now He held up his hands to placate her And ward off the jab Before you go getting all worked up maybe you'd like to hear my proposition No thanks Trust me yes you do Trust you she retorted Wow not only are you delusional you're hilarious Quit trying to talk her into listening and just say it I thought we could help each other Her elegantly sculpted eyebrows arched upward as she tucked her glasses in her bag With what Finding whatever it is you came here to look for Her eyes widened the tiniest bit Then her eyebrows lowered drawing together as she appeared to consider his words The only thing I might consider looking for are the personal mementos you stole and lost So much for consideration I might have a lead on those letters He had shit but she wouldn't know that Ignoring him she faced the barista and gave an order for a cappuccino Then she looked at the pastry offerings and fumbled through a request for something similar to cornetto alla crema Nick pointed out the bign alla crema before requesting a caffè doppio for himself He also advised in Italian they'd like to sit at one of the terrace tables so the cover charge could be added to their bill He reached for his wallet but Rachel beat him to it by handing twenty euros to the man operating the register Don't worry you're covered I'd say thank you but I'd be talking to myself right His sarcasm was rewarded with a smug smile While she accepted the change Nick took their purchases to carry out to the table After setting them down he pulled out her chair and waited She gave him a suspicious look before gathering her skirt with one hand and sitting with a graceful sweep of elegance The movement was so smooth the single filmy ruffle along her modest neckline barely moved Like the last time he'd stood behind her at a restaurant table the faint honey scent of her shampoo wafted up to fill his senses A hint of sweet and a whole lot of sultry just like the woman He drew in a discreet inhale then straightened with a mental admonishment to keep his focus When he dropped onto the chair opposite her she lifted her cappuccino for a taste then set her cup back on its saucer She sat back in her chair with her gaze steady on his What makes you think I'd want or even need your help Ah ha She was thinking about his offer He considered what angle to play as he sipped his double espresso Charming or blunt Yesterday he'd have piled on the charm She'd appeared more innocent Maybe not quite the right word but the stylish dress the shoes her hair and even the modest make up she wore all suggested a level of somewhat high maintenance Or sophistication Class However her undetected pursuit of him last night completely contradicted everything on the outside Coupled with her ambush this morning he was seeing her in an entirely different light Class some sass and not one to have the wool pulled over her eyes He went with blunt Because I can help you find the cross ITALY INTRIGUE SERIES Kidnapped book 1 Winner 2012 Write Touch Readers Award romantic suspense as Lost in Italy Betrayed book 2 Conned book 3 Romantic suspense sexy alpha male hero

when you're born into a multigenerational family of matchmakers which is why I fled my hometown and tried to build a life of my own. But it turns out matchmaking is hard to quit and I can't stop trying to match the customers at the bakery I manage, including my boss and the tea shop owner next door, even though I'm hopeless at love. So it seriously crimps my style when Alex Hunter starts coming around working on his book at the bakery. He's hot, grumpy, and thinks romance is a dirty word. Worse, he keeps distracting our customers. He needs to go away, which means someone needs to matchmake him. And I'm just the girl for the job. Alex, I'm a writer who can't write, and lo and behold, I meet a matchmaker who's allergic to love. Me being me, I fall for her. Most of the people in this town seem insane, but I have to turn my frown upside down and show Willow Mayberry that matchmakers deserve love, too.
