The Morningside Papers:

Morningside Papers Peter Gzowski, 1990-10-01 *The Morningside Papers* Gzowski, Peter, 2006 *The New Morningside Papers* Peter Gzowski, 1987 [The Latest Morningside Papers](#) Peter Gzowski, 1989 Commentary on and correspondence to the CBC radio program Morningside [Peter Gzowski](#) R.B. Fleming, 2010-08-27 Born in 1934 Peter Gzowski covered most of the last half of the century as a journalist and interviewer This biography the most comprehensive and definitive yet published is also a portrait of Canada during those decades beginning with Gzowski's days at the University of Toronto's *The Varsity* in the mid 1950s through his years as the youngest ever managing editor of *Maclean's* in the 1960s and his tremendous success on CBC's Morningside in the 1980s and 1990s and ending with his stint as a *Globe and Mail* columnist at the dawn of the 21st century and his death in January 2002 Gzowski saw eight Canadian Prime Ministers in office most of whom he interviewed and witnessed everything from the Quiet Revolution in Quebec to the growth of economic nationalism in Canada's West From the rise of state medicine to the decline of the patriarchy Peter was there to comment to resist and to participate Here was a man who was proud to call himself Canadian and who made millions of other Canadians realize that Canada was in what he claimed was a Canadian expression not a bad place to live **The Lost Spy** Andrew Meier, 2008-08-17 Filled with dramatic revelations *The Lost Spy* may be the most important American spy story to come along in a generation For half a century the case of Isaiah Oggins a 1920s New York intellectual brutally murdered in 1947 on Stalin's orders remained hidden in the secret files of the KGB and the FBI a footnote buried in the rubble of the Cold War Then in 1992 it surfaced briefly when Boris Yeltsin handed over a deeply censored dossier to the White House *The Lost Spy* at last reveals the truth Oggins was one of the first Americans to spy for the Soviets Based on six years of international sleuthing *The Lost Spy* traces Oggins's rise in beguiling detail a brilliant Columbia University graduate sent to run a safe house in Berlin and spy on the Romanovs in Paris and the Japanese in Manchuria and his fall death by poisoning in a KGB laboratory As harrowing as *Darkness at Noon* and as tragic as *Dr Zhivago* *The Lost Spy* is one of the great nonfiction detective stories of our time **The New York Approach** Joel Schwartz, 1993 Joel Schwartz's major reinterpretation of urban development in New York City examines Robert Moses's role in shaping the city and demonstrates for the first time that Moses's personal and ruthless crusade to redevelop New York's neighborhoods was actually sustained by his alliance with liberal city groups After World War II New York City forged ahead with urban renewal made possible by Title I of the Housing Act of 1949 While Title I was meant to help big cities replace slums with middle class housing New York instead used the program to replace housing for the poor with high rent apartments medical centers and university campuses When Title I became synonymous with callous relocation and Negro removal New Yorkers blamed Robert Moses the legendary construction czar While many concluded that Moses's high handed ways were behind much that went wrong with their city few could explain how he operated in a town famous for its feisty neighborhoods liberal politics and pioneer interracialism

From exhaustive research in previously unexamined archives Schwartz demonstrates the extent to which Moses was abetted by liberal city leaders He describes how insiders deals for choice Title I sites emerged from the old ambitions of neighborhood civic groups and public housing advocates and argues that urban liberals had long been prepared to sacrifice working class neighborhoods for the city efficient He explodes the myth of neighborhood resistance to Moses in Greenwich Village the Upper West Side and Morningside Heights and instead finds steady collaboration of local civic leaders Joel Schwartz s complex disturbing portrait of Robert Moses and the civic leaders who sustainedhis power will surprise and enlighten readers interested in the evolution and development of New York and of today s post industrial cities

Kelly's Directory of Stationers, Printers, Booksellers, Publishers and Papers Makers of England, Scotland and Wales and the Principal Towns in Ireland, the Channel Islands and Isle of Man ,1921 Decision in the West Albert

Castel,1992-11-02 Following a skirmish on June 28 1864 a truce is called so the North can remove their dead and wounded For two hours Yankees and Rebels mingle with some of the latter even assisting the former in their grisly work Newspapers are exchanged Northern coffee is swapped for Southern tobacco Yanks crowd around two Rebel generals soliciting and obtaining autographs As they part a Confederate calls to a Yankee I hope to miss you Yank if I happen to shoot in your direction May I never hit you Johnny if we fight again comes the reply The reprieve is short A couple of months dozens of battles and more than 30 000 casualties later the North takes Atlanta One of the most dramatic and decisive episodes of the Civil War the Atlanta Campaign was a military operation carried out on a grand scale across a spectacular landscape that pitted some of the war s best and worst general against each other In Decision in the West Albert Castel provides the first detailed history of the Campaign published since Jacob D Cox s version appeared in 1882 Unlike Cox who was a general in Sherman s army Castel provides an objective perspective and a comprehensive account based on primary and secondary sources that have become available in the past 110 years Castel gives a full and balanced treatment to the operations of both the Union and Confederate armies from the perspective of the common soldiers as well as the top generals He offers new accounts and analyses of many of the major events of the campaign and in the process corrects many long standing myths misconceptions and mistakes In particular he challenges the standard view of Sherman s performance Written in present tense to give a sense of immediacy and greater realism Decision in the West demonstrates more definitively than any previous book how the capture of Atlanta by Sherman s army occurred and why it assured Northern victory in the Civil War
