**The Transforming Power of Grace** Thomas C. Oden, 1993 How does an infinite God relate to finite human beings How does the death of Jesus Christ bring about human salvation How are Christians able to actively address the world's ills while maintaining their citizenship in the kingdom of God These are questions the church grapples with today as it always has Yet according to Thomas C Oden contemporary theology has neglected the church's traditional answer to these questions the doctrine of grace All too often modern theologians either ignore the doctrine of grace or relate it to the achievement of a particular political agenda Oden asserts that only by reclaiming the centrality of grace defined as God's self-giving through Jesus Christ in personal encounter with the individual human will can Christian theology be true to the gospel In order to reclaim the doctrine of grace the author reaches back beyond the fragmentation of theology that took place during and after the Enlightenment He draws upon the ecumenical consensus held by early Orthodox Roman Catholic and Protestant theologians councils and creeds regarding this cardinal Christian doctrine By adducing this ancient unity Oden challenges modern assumptions concerning the sources and methods of the theological enterprise and calls contemporary Christians to discern what their forebears in the faith knew to be essential to the gospel that to be a Christian is to be formed nurtured and upheld solely by divine grace

*Just Grace* Grace Jordan Hamrick, 2016-04-14 *Just Grace* The Transforming Power of God's Amazing Grace in the Life of an Ordinary Woman is Grace Hamrick's story A foolish decision made as a teenager had a devastating effect on her and an all consuming guilt was destroying her eventually putting her on a self destructive path This memoir is a story of grace God's incredible redeeming grace that rescued her She describes how she

came to realize her deep need for God's grace through some of the heart wrenching circumstances of her life. We live in a world where there is much pain and suffering and it is easy to feel like there is no hope, no future, no way of ever changing. But there is hope and God can and does change people. There is no sin so great He cannot forgive, there is no life so messed up He cannot restore. There is no person so broken that He cannot mend. No one is ever beyond the reach of God's mercy and grace. Grace Hamrick is living proof it is never too late. *Preacher and Homiletic Monthly*, 1905. [Evangelical Review of Theology, Volume 48, Number 2](#) Thomas Schirrmacher, 2024-05-30. ERT publishes quality articles and book reviews from around the world, both original and reprinted from an evangelical perspective, reflecting global evangelical scholarship for the purpose of discerning the obedience of faith and of relevance and importance to its international readership of theologians, educators, church leaders, missionaries, administrators, and students. The journal is published as a ministry rather than as a commercial project, seeking to be of service to the worldwide spread of the gospel and the building up of the church and its leadership in coordination with the World Evangelical Alliance's broader mission and activities. **The Homiletic Review**, 1899. **The Abingdon Preaching Annual 2025** Charley Reeb, 2024-04-02. The local pastor's go-to resource for weekly sermon planning. The Abingdon Preaching Annual 2025 is Lectionary based and follows the calendar year, January-December. It includes special days like Maundy Thursday and Ash Wednesday and indexes for Scriptures and themes to assist preachers with non-Lectionary sermons. Each entry begins with a preacher-to-preacher prayer for preparation, then moves to the key feature: a commentary on one or more texts for the week, exploring themes and storylines, theological reflections, and thoughts about how the text and topic relate to our lives today. Also included are ideas for bringing the text to life, stories, illustrations, ideas for further reading, questions the preacher might pose to the congregation, and suggestions for a call to action in response to the message. Finally, for the preacher's ongoing enrichment, the Annual includes excerpts from new books on preaching and homiletics. This helpful resource is written by every week's preachers who aim to come alongside you, offering a reliable starting point for your sermonic planning, writing, and delivery. *Transforming Power* B. J. Van der Walt, 2007. *The Ground of Holy Life* David D. Cho, 2021-08-12. The Reformation put the grace of God in the right place in the salvation of man. Luther's proclamation of justification by faith brought the concept of grace to the fore and made it the centrality of Christian theology. But the overemphasis on the doctrine of justification in the Reformation created the imbalance between justification and sanctification in the soteriology of the Protestant church. To some people, just the profession of faith without an accompanying godly life was not good enough for salvation. It seemed that salvation by grace of God in the doctrine of justification made man's salvation too easy, thereby opening the floodgate for nominal Christians who were no different from pagans in their hearts. Christian leaders and theologians in the modern church age have tried to rectify this problem by injecting the necessity of works into the Christian life. The spiritual movements such as pietism and perfectionism and new theologies such as the New Perspective on Paul and the Federal Vision are such endeavors that have

stressed good works in the salvation of man However without the concept of definitive sanctification they all lost the monergistic nature of salvation and deviated to the humanistic theology of Arminianism or Pelagianism **From Grace to Grace** Mark Quanstrom,2011-10-03 From Grace to Grace is a forceful declaration of our call to holiness Based on Romans Quanstrom leads you on a quest to understand holiness Will you respond to the call *Homiletic Review* ,1913 The Virginia Conference Annual ...
