Willing Surrender Carrie Hogle,2016-12-30 Reina is a successful graphic artist that locks out the world and hides in her work The two things she loves most are her best friend and coffee She's comfortable in her personal space and the last thing she's prepared for is a man that tears down her walls and pushes her boundaries Can she emotionally handle the intensity James brings to her life James is a successful actor He can have anyone he wants until he meets Reina She fires all of his dominating instincts and her walls hide a need for submission that she isn't aware of He's determined to make her his but getting past her defenses could be an entirely different matter The first step to submission is emotional surrender Can he coax her into willing surrender or will fear and insecurities get in the way This is a complete standalone story Contains an alpha male explicit sex light bondage witty banter lifelong friendships plenty of coffee Practical Sufism Phillip Gowins,2012-12-19 This wise funny and compassionate book follows Gowins apprenticeship with Pir Vilayat Inayat Khan spiritual leader of the Sufi Order International Until now Pir Vilayat's order has not had a strong accessible introduction This book not only provides that service but is more down to earth than most books on Sufism It also has the advantage of being universalistic The Sufi Way is not a religion or a component of a religion but the heart of all religions and spiritualities Gowins says Because it is non dogmatic and offers no catechisms or creeds its teachers are essential Gowins emerges as a superb teacher offering a user friendly guide to the Sufi Way that is at once valuable to any seeker entering any spiritual path Gowins is quick to emphasize that Sufism is not the only path or even the right path for everyone His approach is full of engaging stories and specific practices that could be helpful in many circumstances Readers will benefit from his gentle Sufi teachings of love tolerance unity and consciousness no matter what their chosen path **Unconditional Equality** Ajay Skaria,2016-02-08 Unconditional Equality examines Mahatma Gandhi's critique of liberal ideas of freedom and equality and his own practice of a freedom and equality organized around religion It reconceives satyagraha passive resistance as a politics that strives for the absolute equality of all beings Liberal traditions usually affirm an abstract equality centered on some form of autonomy the Kantian term for the everyday sovereignty that rational beings exercise by granting themselves universal law But for Gandhi such equality is an equality of sword profoundly violent not only because it excludes those presumed to lack reason such as animals or the colonized but also because those included lose the power to love which requires the surrender of autonomy or more broadly sovereignty Gandhi professes instead a politics organized around dharma or religion For him there can be no politics without religion This religion involves self surrender a freely offered

surrender of autonomy and everyday sovereignty For Gandhi the religion that stays in all religions is satyagraha the agraha insistence on or of satya being or truth Ajay Skaria argues that conceptually satyagraha insists on equality without exception of all humans animals and things This cannot be understood in terms of sovereignty it must be an equality of the minor
