Wiltshire Folklore

Sarah Tarlow

Wiltshire Folklore:

The Folklore of Wiltshire Ralph Whitlock,1976 **Folklore and Nationalism in Europe During the Long Nineteenth Century** Timothy Baycroft,David Hopkin,2012-07-25 Using an interdisciplinary approach this book brings together work in the fields of history literary studies music and architecture to examine the place of folklore and representations of the people in the development of nations across Europe during the 19th century **Folklore** Joseph Jacobs,Alfred Trübner Nutt,Arthur Robinson Wright,William Crooke,1901 Most vols for 1890 contain list of members of the Folklore Society **Wiltshire Folk Tales** Kirsty Hartsiotis,2011-09-16 These lively and entertaining folk tales from one of Britain's most ancient counties are vividly retold by local storyteller Kirsty Hartsiotis Their origins lost in the oral tradition these thirty stories from Wiltshire reflect the wisdom of the county and its people From the Giant's Dance to the Great Western Railway no stone is left unturned to discover the roots of the county Discover the Moonraker's passages and Merlin's trickery dabchicks and the devil the flying monk of Malmesbury and a canal ghost story These tales have all stood the test of time and remain classic texts that will be enjoyed time and again by modern readers **Haunted England** Jennifer Westwood,2013-10-31 Watch out for a ghostly ship and its spectral crew off the coast of Cornwall Listen for the unearthly tread and rustling silk dress of Darlington's Lady Jarratt Shiver at the malevolent apparition of 50 Berkeley Square that no one survives seeing Beware the black dog of Shap Fell a sighting warns of fatal accidents England's past echoes with stories of unquiet spirits and hauntings of headless highwaymen and grey ladies indelible bloodstains and ghostly premonitions Here county by county are the nation's most fascinating supernatural tales and bone chilling legends from a ghostly army marching across Cumbria to the vanishing hitchhiker of Bluebell Hill from the gruesome Man Monkey of Shropshire to the phantom congregation who gather for a Sermon of the Dead **Dictionary of Plant Lore** D.C. Watts,2007-05-02 Knowledge of plant names can give insight into largely forgotten beliefs For example the common red poppy is known as Blind Man due to an old superstitious belief that if the poppy were put to the eyes it would cause blindness Many plant names derived from superstition folk lore or primal beliefs Other names are purely descriptive and can serve to explain the meaning of the botanical name For example Beauty Berry is the name given to the American shrub that belongs to the genus *Callicarpa* *Callicarpa* is Greek for beautiful fruit Still other names come from literary sources providing rich detail of the transmission of words through the ages Conceived as part of the author's wider interest in plant and tree lore and ethnobotanical studies this fully revised edition of Elsevier's *Dictionary of Plant Names and Their Origins* contains over 30 000 vernacular and literary English names of plants Wild and cultivated plants alike are identified by the botanical name Further detail provides a brief account of the meaning of the name and detailed commentary on common usage Includes color images Inclusive of all Latin terms with vernacular derivatives The most comprehensive guide for plant scientists linguists botanists and historians

The Lore of the Land Jennifer Westwood,Jacqueline Simpson,2006 Where can you find the Devil's footprints What

happened at the hangman s stone Did Sweeney Todd the demon barber of Fleet Street ever really exist Where was King Arthur laid to rest Bringing together tales of hauntings highwaymen family curses and lovers leaps this magnificent guide will take you on a magical journey through England s legendary past

Ritual, Belief and the Dead in Early Modern Britain and Ireland Sarah Tarlow,2010-11-22 Drawing on archaeological historical theological scientific and folkloric sources Sarah Tarlow s interdisciplinary study examines belief as it relates to the dead body in early modern Britain and Ireland From the theological discussion of bodily resurrection to the folkloric use of body parts as remedies and from the judicial punishment of the corpse to the ceremonial interment of the social elite this book discusses how seemingly incompatible beliefs about the dead body existed in parallel through this tumultuous period This study which is the first to incorporate archaeological evidence of early modern death and burial from across Britain and Ireland addresses new questions about the materiality of death what the dead body means and how its physical substance could be attributed with sentience and even agency It provides a sophisticated original interpretive framework for the growing quantities of archaeological and historical evidence about mortuary beliefs and practices in early modernity

Publications Folklore Society (Great Britain),1915 *Wiltshire Folklore* Kathleen Wiltshire,1975 **The Wiltshire Archaeological and Natural History Magazine** ,1991 Wiltshire Legends & Folklore Richard Holland,2015 **A Bibliography of Folklore** Wilfrid Bonser,Folklore Society (Great Britain),1961 Publications of the Folk-lore Society ,1961 **Wiltshire Notes and Queries** ,1896 **National Union Catalog** ,1956 Includes entries for maps and atlases Monographic Series Library of Congress,1976 **Bibliography of British Folklore** John David Allison Widdowson,1996 Subject Catalog, 1976 Library of Congress,1976 **Subject Catalog** Library of Congress,

Yeah, reviewing a book **Wiltshire Folklore** could amass your close friends listings. This is just one of the solutions for you to be successful. As understood, talent does not suggest that you have astonishing points.

Comprehending as without difficulty as harmony even more than extra will pay for each success. adjacent to, the pronouncement as skillfully as perception of this Wiltshire Folklore can be taken as capably as picked to act.
