Rhodes,Biers,1991-12      **Jazz Flute Duets** Lennie Niehaus,2012-03-02 Lennie Niehaus is a household word among jazz musicians Having been a phenomenal jazz saxophonist he is eminently qualified to write for and understand woodwind instruments These duets resulted from a conversation we had about the need for jazz flute literature Most duets were written in the past for saxophone or clarinet the six duets in this book will be a great addition to the flutist s repertoire      Guide to Teaching Woodwinds Frederick William Westphal,1962      **Doubling on Woodwinds** Mario Cerra,2015-10-23 Doubling on Woodwinds was envisioned as a work plan for woodwind players that allows for a more efficient daily practice of their doublings Whether your primary instrument is flute clarinet or saxophone this book will help you improve your skills with each instrument Woodwind players are expected to be proficient with multiple instruments in the family and the process of getting acquainted with them is often more tedious and cumbersome than it need be This book is not intended to replace traditional method books for each of the instruments but rather to complement them My intention is to integrate the practice of several instruments and turn that into the learning process of one larger subject the woodwind family We will address only the most commonly used doublings in the woodwind family flute saxophone and clarinet but the concepts can be easily translated to any instrument The basic premise is quite simple Instead of practicing different exercises on each instrument we will play the same phrase on all instruments working in all keys through the entire range of each instrument This way of practicing makes proficiency on all instruments more accessible and less stressful It is an efficient and organized method which saves time and provides tangible progress      Selected Studies: For Flute H. Voxman,1989-03 Woodwind Method These excellent studies are the next step for students who have completed the advanced level method for their instrument The full page etudes in this series key centered and supported by scale and arpeggio exercises take the student to that next level of performance wherein their accumulated skills allow them to play full length performance pieces with a high level of musicianship and competence As such many states include these pieces in their all state audition lists      *Woodwind ensemble method* Frederick William Westphal,1971      Lessons With the Greats, Sax/Flute John Xepoleas,Bruce Mishkit,1994-09-01 Featuring Paquito D Rivera Dave Liebman Lenny Pickett Hubert Laws Joe Lovano and Ernie Watts More than 90 pages of exercises etudes transcriptions insight and information on topics such as reeds mouthpieces tone doubling playing over chord changes the altissimo register recording rhythm intonation and modes      **Do It!
