

A photograph of a formal garden with a central path, symmetrical flower beds, and manicured hedges. The garden is viewed from a distance, looking down a long, straight path that leads to a central fountain or structure. The path is flanked by low, rounded hedges and small, dark green shrubs. In the foreground, there are large, vibrant flower beds with orange and red blooms. The background features tall, dense trees and a cloudy sky. The overall scene is well-maintained and symmetrical, illustrating the concept of geometry in landscaping.
