We Interrupt This Programme:

We Interrupt This Program Jennifer San Filippo,2021-10-26 Eloise has decided people need to know about the inflicted. Despite warnings from Teo and the others she knows it isn't right to keep such a dangerous thing a secret. But when inexplicable events threaten the lives of Eloise and her coworkers she must come to grips with what's really at stake. We Interrupt This Program Randee Dawn,2026-03-03 Welcome to Seaview Haven. A delightful village of charming humans, quaint homes and cozy mysteries. Fortunately there's silver-haired author-turned sleuth Winnie Arrowmaker on hand to solve them all. But things aren't exactly as they seem. Seaview Haven is one of the Seelie Court Network's many invented TROPE towns and the mysteries are scripted and streamed for the entertainment of enchanted creatures across the Veil. Or rather they were. Winnie has a wicked case of writer's block, moviemaking across the Veil has ground to a halt and the town is crumbling. Enter Finch, an SCN intern who might be the worst Unseelie ever. With aid from his reluctant brownie assistant, Finch is assigned to figure out what's gone wrong in Seaview Haven so he can dismantle it forever. But after landing in town, Finch soon learns that real lives and real friends aren't so easily canceled. To keep *The End* from being stamped on Seaview Haven, Winnie and Finch are going to have to tell a Truly Great Tale. Because as they realize, real power lies not in the stories we watch but in the stories we tell ourselves. We Interrupt This Program Miranda J. Brady, John M.H. Kelly,2017-11-01 *We Interrupt This Program* tells the story of how Indigenous people are using media tactics in the realms of art, film, television, and journalism to rewrite Canada's national narratives from Indigenous perspectives. Miranda Brady and John Kelly showcase the diversity of these interventions by offering personal accounts and reflections on key moments, witnessing survivor testimonies at the Truth and Reconciliation Commission, attending the opening night of the ImagineNative Film Media Festival, and discussing representations of Indigenous people with artists such as Kent Monkman and Dana Claxton, and with CBC journalist Duncan McCue. These scene-setting moments bring to life their argument that media tactics as articulations of Indigenous sovereignty have the power not only to effect change from within Canadian institutions and through established mediums but also to spark new forms of political and cultural expression in Indigenous communities and among Indigenous youth. Theoretically sophisticated and eminently readable, *We Interrupt This Program* reveals how seemingly unrelated acts by Indigenous activists across Canada are decolonizing our cultural institutions from within, one intervention at a time.
