Rethinking Post-Soviet Politics from a Neopatrimonial Perspective Oleksandr Fisun, 2020 Focusing on the battle between democrats and their opponents does not provide a satisfying way to explain the political trajectories of the former Soviet states A more useful approach is neopatrimonialism From this perspective we can explain the colored revolutions as elite led efforts by rent seeking entrepreneurs to resist increased pressure placed on them by neopatrimonial states

Ideology and Soviet Politics Alex Pravda, Stephen White, 1988-07-26 The official ideology of Marxism Leninism is central to Soviet politics and yet its development in recent years has received very little scholarly attention In this book a group of leading specialists drawn from both sides of the Atlantic advance decisively upon all earlier discussions of this subject to provide both an authoritative and detailed picture of the development of official ideology from the early years up to Gorbachev's 1986 Party Programme as well as a consideration of the changing role of ideology in Soviet foreign and domestic policy making The book will be required reading for all students of Soviet and communist politics it should also be of interest to a wider non specialist audience

Popular Perceptions of Soviet Politics in the 1920s O. Velikanova, 2013-01-28 This is the first study of popular opinions in Soviet society in the 1920s These voices which made the Russian revolution characterize reactions to mobilization politics patriotic militarizing campaigns the tenth anniversary of the

revolution and state attempts to unite the nation around a new Soviet identity **The End Of Soviet Politics** Brendan Kiernan,2019-09-06 The author examines the intent and the unexpected side effects of Gorbachev s policy of demokratizatsiia on the Soviet political system His analysis traces the emergence of competitive multiparty politics drawing from interviews and primary materials collected during 15 months 1988 1990 in the Soviet Union Eurasian Politics: Ideas, Institutions and External Relations Mr Tulsiram,Mr Ajay Patnaik,2013-06-15 The transitional politics of Eurasian space is marked by a constant struggle among three sets of ideas and institutions the 1 is the remarkable resilience of Soviet ideas and institutions 2 an attempt by the regimes of these states to reinvent the historical and cultural traditions of preSoviet periods and third is an attempt by a section of the powerful elite to superimpose Western liberal ideas and institutions There is a strange intertwining of these ideas and institutions This book examines the extent to which the postSoviet politics has departed from the Soviet one What are the new ideational structures emerging in these states and how far have they crystallised into institutions What are the external influences which are shaping the institutions in the Eurasian space And finally what are the various dynamics of geopolitics in this region Experts from various countries will delve into the shifting dynamics of Eurasian politics Group Conflict Approach to Soviet Union Theories and Approaches to Soviet Politics P. Dilemmas of Change in Soviet Politics Zbigniew Brzezinski,1969-03-02 *Problems of Communism* ,1979 *The End of Empire?* Karen Dawisha,Bruce Parrott,1997 First Published in 1997 Routledge is an imprint of Taylor Francis an Informa company *International Journal of the Sociology of Language* ,1974 **Russian Studies and Comparative Politics** Frederic J. Flern Jr.,2016-12-27 This book brings together several of the author s empirical studies that demonstrate the strength and utility of sociologist Robert Merton s classic middle range theory for understanding aspects of both Soviet and post Soviet Russian politics Some of those studies demonstrate that testing middle range social science theory could take place even in the Soviet era when there were significant limitations of access to empirical data and meaningful field research in the USSR was all but impossible In the introductory chapter the author explains the need for and advantages of studying Russian and Soviet politics from the perspective of middle range social science theory Then follow three chapters analyzing methodological issues in Soviet post Soviet studies The author presents his six empirical studies employing middle range social science theories to explore in Russia USSR dimensions of organizations ideology and decisionmaking technology transfer and cultural diffusion political culture public opinion and democratization and congruence of authority patterns in state society relations The book concludes with a chapter arguing the advantages of thinking theoretically about Russian and Soviet politics with the establishment of a new epistemic community organized around studies employing middle range theory This book presents examples of solutions to long standing debates between area studies and the academic disciplines and between idiographic and nomothetic approaches to knowledge in the social sciences In contrast to the tradition of Carnivals and Cockfights in Russian Soviet area studies since the mid 20th Century

the book offers a new way of approaching the study of Russian politics for the 21st Century The American Bibliography of Slavic and East European Studies ,1991 **World Perspectives on International Politics** Walter C. Clemens,1965

Soviet Politics Richard Sakwa,1989 The first major new textbook to cover the rise of Mikhail Gorbachev Sawka s Soviet Politics is both a comprehensive academic text and a guide for the inquiring layperson
