

# Standing Wave Poems

**Mike Johnson**

## Standing Wave Poems:

**The Standing Wave** Gabriel Spera, 2010-06-15 An exciting first collection of poetry from an emerging talent Gabriel Spera's *The Standing Wave* was a winner of the 2002 National Poetry Series Open Competition selected by esteemed poet Dave Smith For over twenty years the National Poetry Series has discovered many new and emerging voices and has been instrumental in launching the careers of poets and writers such as Billy Collins Mark Doty Denis Johnson Cole Swensen Thylas Moss Mark Levine and Dionisio Martinez [A Standing Wave](#) John Robert Colombo, 2013 **Standing Wave** Mike Johnson, 1985 *Standing Wave* Robert Allen, 2005 The themes of *Standing Wave* will be familiar to readers of Robert Allen's acclaimed poetry and novels the slow rusts and wild incandescences of memory the myths and delusions sustaining our lives the uneasy duo of body and mind In this book he brings two different lenses to bear on these ideas a wry conversational formality in *Sonnets from Jimmie Walker Swamp* and the long and complex syntaxes of the final section of his ongoing long poem *The Encantadas* Put together these two sequences are the black and white photographs and the colour film of the same restless dream More than any of Robert Allen's other books *Standing Wave* illustrates through this two fold structure the range of language and cadences still possible in contemporary poetry **Standing Wave** John Taggart, 1993 **Poems for the Millennium, Volume One** Jerome Rothenberg, Pierre Joris, Jeffrey Cane Robinson, University of California Press, 1995-11-24 Global anthology of twentieth century poetry Back cover [Lord Stirling's Stand, and Other Poems](#) William Henry Babcock, 1880 [The Robert Frost Encyclopedia](#) Nancy L. Tuten, John Zubizarreta, 2000-12-30 Often thought of as the quintessential poet of New England Robert Frost is one of the most widely read American poets of the 20th century He was a master of poetic form and imagery his works seemed to capture the spirit of America and he became so emblematic of his country that he read his work at President Kennedy's inauguration and traveled to Israel Greece and the Soviet Union as an emissary of the U S State Department While many readers think of him as the personification of New England he was born in San Francisco published his first book of poetry in England matured as a poet while abroad taught for several years at the University of Michigan and spent many of his winters in Florida This reference helps illuminate the hidden complexities of his life and work Included in this volume are hundreds of alphabetically arranged entries on Frost's life and writings Each of his collected poems is treated in a separate entry and the book additionally includes entries on such topics as his public speeches various colleges and universities with which he was associated the honors that he won his biographers films about him poets and others whom he knew and similar items Each entry is written by an expert contributor and closes with a brief bibliography The volume also provides a chronology and concludes with a general bibliography of major studies

**Quantum Poetics** Daniel Albright, 1997-01-28 *Quantum Poetics* examines the way modernist poets appropriated scientific metaphors as part of a general search for the pre-verbal origins of poetry Daniel Albright traces Modernism's search for the elementary particles from which poems were constructed The poetic possibilities offered by developments in

scientific discourse intrigued Yeats Eliot and Pound writers intent on remapping the general theory of poetry Using models supplied by physicists Yeats sought for the basic units of poetic force both through his sequence A Vision and through his belief in and defence of the purity of symbols Pound s whole critical vocabulary Albright claims aims at drawing art and science together in a search for poetic precision the tiniest textual particles that held poems together Through a series of patient and original readings Quantum Poetics demonstrates how modernists created a whole new way of thinking about poetry and science as two different aspects of the same quest

**Waves and Caves, and Other Poems** Cave Winscom (pseud. [i.e. John Cave Winscombe.]),1873 **The Fians; or, Stories, poems & traditions of Fionn and his warrior band, collected by J.G. Campbell, with intr. and bibliogr. notes by A. Nutt** Fenians,John Gregorson Campbell,1891

**A Concordance to the Poems of Robert Browning** Leslie Nathan Broughton,Benjamin Franklin Stelter,1925

*Encyclopedia of American Poetry: The Twentieth Century* Eric L. Haralson,2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author s career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States

**The New American Poetry** John R. Woznicki,2013-12-24 The New American Poetry Fifty Years Later is a collection of critical essays on Donald Allen s 1960 seminal anthology The New American Poetry an anthology that Marjorie Perloff once called the fountainhead of radical American poetics The New American Poetry is referred to in every literary history of post World War II American poetry Allen s anthology has reached its fiftieth anniversary providing a unique time for reflection and reevaluation of this preeminent collection As we know Allen s anthology was groundbreaking it was the first to distribute widely the poetry and theoretical positions of poets such as Charles Olson Allen Ginsberg and the Beats and it was the first to categorize these poets by the schools Black Mountain New York School San Francisco Renaissance and the Beats by which they are known today Over the course of fifty years this categorization of poets into schools has become one of the major if not only way that The New American Poetry is remembered or valued one certain goal of this volume as one reviewer invites is to pry The New American Poetry out from the hoary platitudes that have encrusted it To this point critics mostly have examined The New American Poetry as an anthology former treatments of The New American Poetry look at it intently as a whole Though the almost singularly focused study of its construction and less often reception has lent a great deal of documented highly visible and debated material in which to consider we have been left with certain notions about its relevance that have become imbued ultimately in the collective critical consciousness of postmodernity This volume however goes beyond the analysis of construction and

reception and achieves something distinctive extending those former treatments by treading on the paths they create This volume aims to discover another sense of radical that Perloff articulated rather than a radical that departs markedly from the usual we invite consideration of The New American Poetry that is radical in the sense of root of harboring something fundamental something inherent as we uncover and trace further elements correlated with its widespread influence over the last fifty years

**A Concordance to the Poems of Edmund Spenser** Charles Grosvenor Osgood, 1915 Collected Works of Velimir Khlebnikov: Selected Poems Velimir Khlebnikov, 1997 *Longfellow's Poems* Henry Wadsworth Longfellow, 1878 *The Complete Poems* William Empson, 2000 Empson's poetry occupies a central place in 20th century literature Acclaimed as the author of *Seven types of ambiguity* 1930 William Empson was applauded also for the dazzling intelligence and emotional passion of his poems T S Eliot praised the brain power and intense feeling of his poetry F R Leavis hailed him as the first true successor to John Donne Other writers as diverse as W B Yeats Dylan Thomas and John Betjeman have admired his elegant humane and moving work Robert Lowell told Empson I think you are the most intelligent poet writing in our language and perhaps the best I put you with Hardy and Graves and Auden and Philip Larkin *Poems of Henry Wadsworth Longfellow* Henry Wadsworth Longfellow, 1880

**Louis Zukofsky and the Poetry of Knowledge** Mark Scroggins, 1998 Provides a provocative and advanced introduction to the thought and writing of Louis Zukofsky aptly described as one of the first postmodernists Poet translator and editor Louis Zukofsky was born in New York City in 1904 Raised to speak first Yiddish and then English he was fascinated by language from an early age This deep preoccupation with language its musicality complex constructions and fluid meaning later became a key component in the development of his poetry Friend to William Carlos Williams Marianne Moore and Ezra Pound mentor to Robert Creeley and influence on many of the Language Movement poets Zukofsky and his work stand squarely at the center of American poetry's transition from modernism to postmodernism Mark Scroggins advances thoughtful readings of Zukofsky's key critical essays a wide variety of his shorter poems and his poem of a life A He carefully situates Zukofsky within his literary and historical contexts examining his relationship to Pound his 1930s Marxist politics and his sense of himself as a Jewish modernist poet Scroggins also places Zukofsky within an ongoing tradition of American poetry including the work of Wallace Stevens Charles Bernstein Ronald Johnson Michael Palmer and John Taggart
